

496 NutriDYN Products - Ailments - Deficiency - Wellness Value

Here is the list of all NutriDYN supplements with their related ailments, deficiencies and wellness/health values:

1. 3 Care Liquid Omega-3 TG

- **Ailments:** Dry skin, brittle nails, joint stiffness, brain fog, poor memory, fatigue, mood swings, chronic inflammation, slow wound healing
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Supports heart, brain, and joint health.

2. 5-HTP

- **Ailments:** Depression, anxiety, insomnia, irritability, carbohydrate cravings, low pain threshold, obsessive thoughts
- **Deficiency:** Serotonin
- **Wellness Value:** Mood support and helps with serotonin production.

3. 5-HTP Extra Strength

- **Ailments:** Severe mood swings, chronic insomnia, heightened anxiety, persistent sadness, difficulty relaxing
- **Deficiency:** Serotonin
- **Wellness Value:** Enhanced mood support and promotes sleep.

4. 7-Keto® DHEA

- **Ailments:** Slow metabolism, weight gain, fatigue, reduced muscle mass, difficulty losing weight despite diet and exercise
- **Deficiency:** DHEA (Dehydroepiandrosterone)
- **Wellness Value:** Supports healthy thermogenesis and metabolism.

5. A & D Natural Capsules

- **Ailments:** Night blindness, dry eyes, frequent infections, bone pain, muscle weakness, rickets, osteomalacia
- **Deficiency:** Vitamins A and D
- **Wellness Value:** Supports immune and bone health.

6. Acetyl-L-Carnitine

- **Ailments:** Mental fatigue, poor concentration, memory lapses, brain fog, reduced mental clarity, nerve tingling
- **Deficiency:** Carnitine
- **Wellness Value:** Promotes optimal neurological and cognitive health.

7. Acidophilus D.R.™

- **Ailments:** Bloating, gas, constipation, diarrhea, food intolerances, frequent yeast infections, weakened immunity
- **Deficiency:** Gut microbiome imbalance
- **Wellness Value:** Supports digestive health with acid-resistant probiotics.

8. Adrenal Resilience™

- **Ailments:** Chronic fatigue, difficulty waking, afternoon energy crashes, salt cravings, inability to handle stress, anxiety
- **Deficiency:** Adrenal fatigue
- **Wellness Value:** Supports adrenal function and stress response.

9. AHCC®

- **Ailments:** Frequent colds, slow recovery from illness, chronic infections, low white blood cell count, fatigue
- **Deficiency:** Immune system weakness
- **Wellness Value:** Mushroom mycelia extract for immune system support.

10. Alcohol Detox

- **Ailments:** Hangover symptoms, brain fog after drinking, liver discomfort, nutrient depletion, fatigue, poor sleep quality
- **Deficiency:** Nutrient depletion due to alcohol use
- **Wellness Value:** Nutritional support for detoxification after alcohol consumption.

11. All Basic

- **Ailments:** Muscle weakness, slow recovery, fatigue, poor wound healing, hair loss, brittle nails
- **Deficiency:** Amino acids
- **Wellness Value:** General support for muscle health and amino acid balance.

12. Aller Pro

- **Ailments:** Seasonal allergies, nasal congestion, sneezing, itchy eyes, respiratory discomfort, sinus pressure
- **Deficiency:** Respiratory health
- **Wellness Value:** Support for healthy respiratory function.

13. Aller-B®

- **Ailments:** Low energy, poor stress response, allergic reactions, skin issues, fatigue, weakened immunity
- **Deficiency:** B vitamins
- **Wellness Value:** B complex formula supporting energy and immune health.

14. Alpha Lipoic Acid

- **Ailments:** Oxidative stress, nerve tingling, blood sugar fluctuations, accelerated aging, liver stress, fatigue
- **Deficiency:** Antioxidants
- **Wellness Value:** Antioxidant support for cellular health and detoxification.

15. Amino Blend™

- **Ailments:** Muscle loss, slow recovery after exercise, weakness, fatigue, poor athletic performance
- **Deficiency:** Amino acids
- **Wellness Value:** Supports muscle health and recovery.

16. Androzyme™

- **Ailments:** Low libido, fatigue, reduced muscle mass, mood changes, decreased strength, low motivation
- **Deficiency:** Testosterone
- **Wellness Value:** Male formula for testosterone balance and support.

17. Annatto Pro 125

- **Ailments:** Cardiovascular concerns, liver stress, cognitive decline, oxidative damage, high cholesterol
- **Deficiency:** Tocotrienols (Vitamin E)
- **Wellness Value:** Advanced support for heart, liver, and brain health.

18. Anti-Flux

- **Ailments:** Indigestion, bloating, gas, heartburn, stomach discomfort after meals, food sensitivities
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Natural support for healthy digestion.

19. Aprozyme

- **Ailments:** Bloating, gas, indigestion, feeling full quickly, nutrient malabsorption, stomach discomfort
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Natural digestive support.

20. ASAP 10 Silver Solution

- **Ailments:** Frequent infections, slow wound healing, weakened immunity, recurring illness, low resistance to pathogens
- **Deficiency:** Immune system weakness
- **Wellness Value:** Immune system support.

21. Astaxanthin

- **Ailments:** Eye fatigue, skin aging, muscle soreness after exercise, oxidative stress, sun sensitivity
- **Deficiency:** Antioxidants
- **Wellness Value:** Potent antioxidant support.

22. ATP Energy

- **Ailments:** Chronic fatigue, muscle weakness, poor exercise recovery, lack of stamina, cellular exhaustion
- **Deficiency:** Cellular energy (ATP)
- **Wellness Value:** Supports cellular energy production and muscle recovery.

23. B-12 Folic Acid

- **Ailments:** Fatigue, weakness, numbness/tingling, memory problems, mood changes, elevated homocysteine, anemia
- **Deficiency:** Vitamin B12 and folic acid
- **Wellness Value:** Supports cardiovascular and neurological health.

24. B-6/250 Sustained Release

- **Ailments:** Mood swings, confusion, weakened immunity, skin rashes, cracked lips, fatigue, PMS symptoms
- **Deficiency:** Vitamin B6

- **Wellness Value:** Sustained-release vitamin B6 for brain and metabolism support.

25. B-Cleanse

- **Ailments:** Frequent infections, low energy, weakened immunity, slow recovery, chronic fatigue
- **Deficiency:** Immune system support
- **Wellness Value:** Herbal-mushroom blend for immune health.

26. B-Complex

- **Ailments:** Fatigue, irritability, poor stress tolerance, skin problems, mouth sores, brain fog, anxiety
- **Deficiency:** B vitamins
- **Wellness Value:** Comprehensive support for healthy stress response and energy.

27. B12 Pro

- **Ailments:** Fatigue, weakness, pale skin, numbness, balance problems, cognitive difficulties, depression
- **Deficiency:** Vitamin B12
- **Wellness Value:** Quick-dissolving B12 for neurological, cardiovascular, and metabolic health.

28. B12 with Intrinsic Factor

- **Ailments:** Pernicious anemia, severe fatigue, nerve damage, difficulty absorbing B12, tingling extremities
- **Deficiency:** Vitamin B12
- **Wellness Value:** Bioavailable B12 with intrinsic factor for absorption and overall health.

29. Berberine Pro

- **Ailments:** Blood sugar spikes, insulin resistance, high cholesterol, weight gain, metabolic syndrome
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Supports healthy glucose metabolism and heart health.

30. Bifido-Complex

- **Ailments:** Digestive irregularity, bloating, gas, weakened gut barrier, food sensitivities, compromised immunity
- **Deficiency:** Gut flora imbalance
- **Wellness Value:** Probiotic support for gut health.

31. Bilberry

- **Ailments:** Eye strain, night vision problems, macular degeneration risk, tired eyes, blurry vision
- **Deficiency:** Eye health
- **Wellness Value:** Herbal support for healthy eye function.

32. Binder Pro

- **Ailments:** Toxin buildup, brain fog, digestive issues, chemical sensitivities, fatigue, skin problems
- **Deficiency:** Detoxification
- **Wellness Value:** Detoxification support for gut barrier health.

33. Bone Support

- **Ailments:** Weak bones, osteoporosis risk, fractures, bone pain, muscle cramps, tooth decay
- **Deficiency:** Calcium and magnesium
- **Wellness Value:** Enhanced support for healthy bone function and integrity.

34. Bone Support Chewable

- **Ailments:** Bone weakness, fracture risk, dental problems, growing pains in children, osteopenia
- **Deficiency:** Calcium
- **Wellness Value:** Chewable form for comprehensive bone support.

35. Bone Support Extra Strength

- **Ailments:** Severe bone loss, osteoporosis, frequent fractures, bone pain, muscle weakness, poor posture
- **Deficiency:** Calcium, vitamin D, and magnesium
- **Wellness Value:** Micronutrient support for bone function and integrity.

36. Bone Support Prime

- **Ailments:** Bone density loss, muscle cramps, joint stiffness, fracture risk, weak teeth
- **Deficiency:** Calcium and magnesium
- **Wellness Value:** Comprehensive bone health support.

37. Bone Support Vegetarian

- **Ailments:** Bone weakness, calcium deficiency on plant-based diet, muscle cramps, dental issues
- **Deficiency:** Bioavailable minerals for vegetarians
- **Wellness Value:** Mineral complex to support healthy bones.

38. Bone Support with Magnesium

- **Ailments:** Bone loss, muscle cramps, poor calcium absorption, restless legs, weak bones
- **Deficiency:** Calcium and magnesium
- **Wellness Value:** Supports bone function with added magnesium for absorption.

39. BP Natural®

- **Ailments:** High blood pressure, headaches, dizziness, shortness of breath, chest discomfort, vision problems
- **Deficiency:** High blood pressure
- **Wellness Value:** Supports healthy blood pressure within a normal range.

40. Brain Concentrate

- **Ailments:** Poor focus, mental fatigue, brain fog, difficulty concentrating, memory lapses, scattered thinking
- **Deficiency:** Cognitive function
- **Wellness Value:** Supports brain health with synergistic factors.

41. Brain Restore

- **Ailments:** Memory decline, cognitive slowdown, difficulty learning, mental fatigue, reduced mental clarity
- **Deficiency:** Cognitive function
- **Wellness Value:** Nutritional support for cognitive function.

42. Brain Support

- **Ailments:** Nerve dysfunction, cognitive decline, poor memory, difficulty processing information, brain fog
- **Deficiency:** Neurological health
- **Wellness Value:** Nutritional support for neurological function.

43. Bromelain 1400

- **Ailments:** Inflammation, digestive discomfort, swelling, sinus congestion, joint pain, slow tissue repair
- **Deficiency:** Enzymes for digestion and inflammation
- **Wellness Value:** Digestive enzyme support and anti-inflammatory properties.

44. Bromezyme®

- **Ailments:** Poor protein digestion, bloating after meals, inflammation, digestive discomfort, food sensitivities
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Bromelain and papain enzyme formula for digestion.

45. C Aspa Scorb®

- **Ailments:** Frequent colds, slow wound healing, bleeding gums, easy bruising, fatigue, weakened immunity
- **Deficiency:** Vitamin C
- **Wellness Value:** Supports immune function and antioxidant capacity.

46. Cal Mag 750

- **Ailments:** Muscle cramps, bone weakness, restless legs, poor sleep, irritability, tooth decay
- **Deficiency:** Calcium and magnesium
- **Wellness Value:** Promotes healthy muscle function and bone formation.

47. Calcium D-Glucarate Plus

- **Ailments:** Hormonal imbalance, estrogen dominance, PMS, breast tenderness, weight gain, toxin buildup
- **Deficiency:** Hormonal imbalance
- **Wellness Value:** Supports healthy hormone balance and detoxification.

48. Cape Aloe

- **Ailments:** Constipation, irregular bowel movements, bloating, sluggish digestion, toxin buildup
- **Deficiency:** Digestive health
- **Wellness Value:** Supports healthy digestive function and regularity.

49. Caprylate Complex

- **Ailments:** Yeast overgrowth, candida, digestive issues, sugar cravings, brain fog, fatigue, skin problems
- **Deficiency:** Gut flora imbalance
- **Wellness Value:** Sustained-release formula for gut health and yeast balance.

50. Cardio Essentials BP Support

- **Ailments:** Elevated blood pressure, headaches, heart palpitations, shortness of breath, dizziness

- **Deficiency:** High blood pressure
- **Wellness Value:** Supports blood pressure within normal range.

51. Cardio Essentials Cholestin Support

- **Ailments:** High cholesterol, elevated LDL, cardiovascular risk, fatty deposits, arterial plaque buildup
- **Deficiency:** High cholesterol
- **Wellness Value:** Supports healthy cholesterol levels within the normal range.

52. Cardio Essentials Niacin SR

- **Ailments:** High cholesterol, poor circulation, low HDL, elevated triglycerides, cardiovascular risk
- **Deficiency:** Niacin (Vitamin B3)
- **Wellness Value:** Sustained-release niacin for cardiovascular health and cholesterol management.

53. Cardio Essentials Red Yeast Rice

- **Ailments:** High cholesterol, elevated LDL, cardiovascular concerns, poor lipid profile
- **Deficiency:** High cholesterol
- **Wellness Value:** Supports healthy blood lipids and cardiovascular health.

54. Cardio Flow™

- **Ailments:** Poor circulation, arterial plaque, cold extremities, leg pain when walking, cardiovascular concerns
- **Deficiency:** Arterial health, plaque buildup
- **Wellness Value:** Oral chelation complex that supports cardiovascular health.

55. CardioSterol

- **Ailments:** High cholesterol, elevated LDL, low HDL, cardiovascular risk, poor lipid balance
- **Deficiency:** High cholesterol
- **Wellness Value:** Comprehensive support for healthy cholesterol levels.

56. Cat's Claw

- **Ailments:** Chronic inflammation, joint pain, weakened immunity, digestive issues, frequent infections
- **Deficiency:** Immune system support
- **Wellness Value:** Herbal support for immune health and inflammation reduction.

57. Cellular Energy

- **Ailments:** Chronic fatigue, muscle weakness, aging symptoms, poor stamina, cellular dysfunction
- **Deficiency:** Mitochondrial dysfunction
- **Wellness Value:** Supports mitochondrial energy production and cellular health.

58. Chasteberry

- **Ailments:** Irregular periods, PMS, breast tenderness, mood swings, hormonal acne, menstrual cramps
- **Deficiency:** Hormonal imbalance, menstrual discomfort
- **Wellness Value:** Herbal support for menstrual discomfort and hormone regularity.

59. Chondro Jointaide

- **Ailments:** Joint pain, stiffness, muscle aches, reduced mobility, cartilage degradation, inflammation
- **Deficiency:** Joint and muscle discomfort
- **Wellness Value:** Extra strength nutritional support for joint and muscle health.

60. Chondro-Relief®

- **Ailments:** Joint pain, stiffness, reduced flexibility, cartilage wear, difficulty moving, creaking joints
- **Deficiency:** Joint health
- **Wellness Value:** Joint and soft tissue support for mobility and flexibility.

61. Chondro-Relief® Intensive Care

- **Ailments:** Severe joint pain, significant mobility loss, advanced cartilage damage, chronic stiffness
- **Deficiency:** Severe joint pain
- **Wellness Value:** Comprehensive support for joint and soft tissue health.

62. Chondro-Relief® Plus

- **Ailments:** Joint degeneration, tissue damage, chronic pain, inflammation, reduced range of motion
- **Deficiency:** Joint and tissue health
- **Wellness Value:** Comprehensive support for joint and soft tissue repair.

63. Chromium Picolinate

- **Ailments:** Blood sugar fluctuations, sugar cravings, insulin resistance, weight gain, fatigue after meals
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Supports healthy glucose metabolism and insulin sensitivity.

64. Chromium Picolinate 500™

- **Ailments:** Stubborn weight, blood sugar spikes, intense carb cravings, difficulty losing weight, energy crashes
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Supports healthy glucose metabolism and weight management.

65. Colloidal Silver

- **Ailments:** Frequent infections, slow wound healing, compromised immunity, skin infections, cold/flu susceptibility
- **Deficiency:** Immune system weakness
- **Wellness Value:** High-quality silver supplement for immune system support.

66. Colon Cleanse

- **Ailments:** Constipation, bloating, sluggish digestion, toxin buildup, irregular bowel movements, fatigue
- **Deficiency:** Digestive health
- **Wellness Value:** Supports digestive health and colon detoxification.

67. CoQ10 100 mg

- **Ailments:** Fatigue, heart palpitations, muscle weakness, gum disease, high blood pressure, low energy
- **Deficiency:** CoQ10 (ubiquinone)
- **Wellness Value:** Supports heart health, cellular energy production, and antioxidant defenses.

68. CoQ10 Ubiquinol

- **Ailments:** Chronic fatigue, cardiovascular concerns, weakened immunity, muscle pain, premature aging
- **Deficiency:** CoQ10 (ubiquinol)
- **Wellness Value:** Supports energy production, immune health, and cardiovascular function.

69. Coryza Forte®

- **Ailments:** Frequent colds, sinus congestion, respiratory infections, weakened immune response, seasonal illness
- **Deficiency:** Immune system support
- **Wellness Value:** Nutritional support for immune system health.

70. Creatine Powder

- **Ailments:** Muscle weakness, poor athletic performance, slow recovery, low energy during exercise, reduced strength
- **Deficiency:** Muscle energy
- **Wellness Value:** Pure creatine monohydrate for energy, muscle strength, and recovery.

71. Curcumin BCM-95®

- **Ailments:** Chronic inflammation, joint pain, oxidative stress, digestive discomfort, cognitive decline
- **Deficiency:** Inflammation control
- **Wellness Value:** High bioavailability curcumin for antioxidant support and inflammation reduction.

72. D3 10,000 with K2

- **Ailments:** Severe vitamin D deficiency, bone loss, weak immunity, calcium misplacement, cardiovascular concerns
- **Deficiency:** Vitamin D3 and K2
- **Wellness Value:** Supports bone, cardiovascular, and immune health with high-potency D3 plus K2.

73. D3 1000

- **Ailments:** Mild vitamin D deficiency, weak bones, frequent illness, fatigue, muscle weakness, low mood
- **Deficiency:** Vitamin D
- **Wellness Value:** Supports immune function, bone health, and cardiovascular health.

74. D3 5000

- **Ailments:** Moderate vitamin D deficiency, bone pain, frequent infections, depression, muscle aches
- **Deficiency:** Vitamin D
- **Wellness Value:** Supports bone health, immune function, and cardiovascular health.

75. D3 5000 with K2

- **Ailments:** Vitamin D deficiency with calcium concerns, bone loss, arterial calcification risk, weakened immunity
- **Deficiency:** Vitamin D3 and K2
- **Wellness Value:** Supports bone health, cardiovascular function, and immune health.

76. Detox Phase I & II

- **Ailments:** Toxin buildup, liver stress, chemical sensitivities, fatigue, skin problems, hormonal imbalance
- **Deficiency:** Detoxification support
- **Wellness Value:** Supports both Phase I and II detoxification for optimal liver function.

77. Detox Support

- **Ailments:** Sluggish liver, toxin accumulation, skin issues, fatigue, digestive problems, brain fog
- **Deficiency:** Detoxification
- **Wellness Value:** Daily nutritional support for detox processes and liver health.

78. DHEA

- **Ailments:** Low energy, decreased libido, mood changes, muscle loss, aging symptoms, adrenal fatigue
- **Deficiency:** DHEA hormone
- **Wellness Value:** Supports healthy hormone production and overall vitality.

79. Digestive Complete

- **Ailments:** Bloating, gas, indigestion, food sensitivities, nutrient malabsorption, stomach discomfort
- **Deficiency:** Digestive enzyme insufficiency
- **Wellness Value:** Comprehensive enzyme complex for digestive function support.

80. Digestive Vegetarian

- **Ailments:** Digestive issues on plant-based diet, bloating, gas, difficulty digesting beans/vegetables
- **Deficiency:** Digestive enzymes (for vegetarians)
- **Wellness Value:** Comprehensive enzyme blend for digestion support in a vegetarian formula.

81. Drena-Plus

- **Ailments:** Adrenal exhaustion, chronic fatigue, poor stress tolerance, afternoon crashes, salt cravings
- **Deficiency:** Adrenal fatigue
- **Wellness Value:** Nutritional support for adrenal health and stress management.

82. Dynamic BCAA Drink

- **Ailments:** Muscle soreness, slow recovery, muscle loss, fatigue during exercise, reduced endurance
- **Deficiency:** Amino acids
- **Wellness Value:** Amino acid blend designed for muscle recovery and lean body mass support.

83. Dynamic Brain Restore Powder

- **Ailments:** Brain fog, memory decline, poor concentration, mental fatigue, cognitive slowdown
- **Deficiency:** Cognitive health
- **Wellness Value:** Nutritional support for cognitive function and mental clarity.

84. Dynamic Cardio Flow

- **Ailments:** Poor circulation, cold hands/feet, cardiovascular concerns, low stamina, endothelial dysfunction
- **Deficiency:** Cardiovascular health
- **Wellness Value:** Nutritional support for heart, vascular, and endothelial function.

85. Dynamic Collagen Renew

- **Ailments:** Wrinkles, sagging skin, joint stiffness, brittle nails, thinning hair, slow wound healing
- **Deficiency:** Collagen
- **Wellness Value:** Collagen peptides to support healthy skin, bones, and joints.

86. Dynamic Daily Meal

- **Ailments:** Nutritional gaps, low energy, poor diet quality, weight management issues, fatigue
- **Deficiency:** Nutrient insufficiency
- **Wellness Value:** Comprehensive nutritional formula for overall health and well-being.

87. Dynamic Detox

- **Ailments:** Toxic overload, liver stress, skin breakouts, fatigue, hormonal issues, brain fog
- **Deficiency:** Detoxification
- **Wellness Value:** Supports detoxification in both Phase I and II for optimal liver and body function.

88. Dynamic Essentials Anise

- **Ailments:** Digestive upset, bloating, gas, nausea, stomach cramps, poor digestion
- **Deficiency:** Digestive health
- **Wellness Value:** Essential oil for digestive support and overall balance.

89. Dynamic Essentials Frankincense

- **Ailments:** Chronic inflammation, joint discomfort, weakened immunity, stress, respiratory issues
- **Deficiency:** Inflammation and immune support
- **Wellness Value:** Essential oil for inflammation reduction and immune system support.

90. Dynamic Essentials Lavender

- **Ailments:** Insomnia, anxiety, stress, restlessness, tension headaches, difficulty relaxing
- **Deficiency:** Sleep and stress management
- **Wellness Value:** Essential oil for relaxation, stress relief, and sleep support.

91. Dynamic Essentials Lemon

- **Ailments:** Weakened immunity, sluggish detox, low energy, poor circulation, toxin buildup
- **Deficiency:** Immune health
- **Wellness Value:** Essential oil for immune support and detoxification.

92. Dynamic GI Defend

- **Ailments:** Leaky gut, food sensitivities, digestive discomfort, bloating, weakened gut barrier
- **Deficiency:** Gut barrier health
- **Wellness Value:** Nutritional support for maintaining a healthy gut barrier.

93. Dynamic GI Restore

- **Ailments:** Digestive issues, irregular bowel movements, stomach discomfort, poor nutrient absorption
- **Deficiency:** Digestive health
- **Wellness Value:** Nutritional support for healthy gastrointestinal function.

94. Dynamic Slender Drink

- **Ailments:** Slow metabolism, difficulty losing weight, low energy, stubborn fat, sugar cravings
- **Deficiency:** Metabolism support
- **Wellness Value:** Drink that supports the body's natural ability to burn fat.

95. Dynamic Whey Protein

- **Ailments:** Muscle loss, slow recovery, low protein intake, weakness, poor body composition
- **Deficiency:** Protein
- **Wellness Value:** Bioactive whey protein isolate with BCAAs for muscle recovery and lean body mass.

96. E-400 with Mixed Tocopherols

- **Ailments:** Oxidative stress, skin aging, cardiovascular concerns, muscle weakness, nerve damage
- **Deficiency:** Vitamin E
- **Wellness Value:** Supports antioxidant protection and cardiovascular health.

97. Essential Minerals

- **Ailments:** Mineral deficiency, muscle cramps, fatigue, poor bone health, weakened immunity
- **Deficiency:** Mineral insufficiency
- **Wellness Value:** Highly bioavailable mineral formula for overall health.

98. Essential Multi

- **Ailments:** Nutritional gaps, low energy, weakened immunity, poor skin health, fatigue, brain fog
- **Deficiency:** Micronutrients
- **Wellness Value:** Comprehensive micronutrient support for overall health and longevity.

99. Esterified C

- **Ailments:** Frequent infections, slow healing, easy bruising, collagen breakdown, skin aging, fatigue
- **Deficiency:** Vitamin C
- **Wellness Value:** Supports immune function, collagen production, and antioxidant protection.

100. Estro Balance

- **Ailments:** Estrogen dominance, PMS, heavy periods, breast tenderness, mood swings, weight gain
- **Deficiency:** Hormonal imbalance
- **Wellness Value:** Comprehensive support for healthy estrogen balance.

101. Estro Pro Cream

- **Ailments:** Low progesterone, irregular cycles, PMS, mood swings, sleep issues, hormonal imbalance
- **Deficiency:** Progesterone (Hormonal imbalance)
- **Wellness Value:** Topical support for hormonal balance, particularly for women.

102. Everyday Essentials Active

- **Ailments:** Low energy during exercise, slow recovery, nutrient depletion from activity, muscle fatigue
- **Deficiency:** Essential nutrients for active lifestyles
- **Wellness Value:** Comprehensive formula supporting energy, endurance, and recovery for active individuals.

103. Everyday Essentials Foundation

- **Ailments:** General nutritional deficiencies, low energy, weakened immunity, fatigue, poor overall health
- **Deficiency:** Foundational vitamins and minerals
- **Wellness Value:** Comprehensive support for overall health and wellness.

104. Everyday Essentials Men's

- **Ailments:** Low testosterone, prostate concerns, low energy, reduced libido, muscle loss, fatigue
- **Deficiency:** Essential nutrients for men's health
- **Wellness Value:** Supports healthy hormone balance, prostate health, and overall vitality for men.

105. Everyday Essentials Pregnancy

- **Ailments:** Nutritional needs during pregnancy, morning sickness, fatigue, fetal development support needs
- **Deficiency:** Nutrients for pregnancy
- **Wellness Value:** Comprehensive formula supporting preconception, pregnancy, and nursing.

106. Everyday Essentials Women's

- **Ailments:** Hormonal fluctuations, PMS, fatigue, low iron, mood swings, menstrual irregularities
- **Deficiency:** Essential nutrients for women's health
- **Wellness Value:** Comprehensive formula supporting hormone balance and overall well-being for women.

107. Everyday Essentials Women's Advanced

- **Ailments:** Menopausal symptoms, hot flashes, bone loss, mood changes, sleep disturbances, low energy
- **Deficiency:** Postmenopausal nutrient needs
- **Wellness Value:** Comprehensive formula supporting hormone balance and well-being for postmenopausal women.

108. Ex-Tox II™

- **Ailments:** Heavy metal toxicity, chemical exposure, brain fog, fatigue, neurological symptoms
- **Deficiency:** Detoxification support
- **Wellness Value:** Chelating agents to support the body's natural detoxification processes.

109. Eye Pro

- **Ailments:** Macular degeneration risk, eye strain, blurry vision, night blindness, dry eyes, cataracts
- **Deficiency:** Eye health nutrients
- **Wellness Value:** Comprehensive support for eye health, including antioxidants like lutein and zeaxanthin.

110. Ferrogen

- **Ailments:** Anemia, fatigue, weakness, pale skin, shortness of breath, cold hands/feet, brittle nails
- **Deficiency:** Iron
- **Wellness Value:** Iron supplement supporting red blood cell production and oxygen transport.

111. Fit 132 and Gut Barrier Panel Test

- **Ailments:** Unknown food sensitivities, digestive issues, inflammation, leaky gut symptoms
- **Deficiency:** Gut health assessment
- **Wellness Value:** Comprehensive test to evaluate gut health and food sensitivities.

112. Fit 176 and Gut Barrier Panel Test

- **Ailments:** Multiple food reactions, chronic digestive problems, widespread inflammation, gut barrier dysfunction
- **Deficiency:** Gut health and food sensitivities
- **Wellness Value:** Comprehensive test to evaluate a wide range of food sensitivities and gut health.

113. Flax Oil Capsules

- **Ailments:** Dry skin, inflammation, hormonal imbalance, cardiovascular concerns, constipation
- **Deficiency:** Omega-3 fatty acids (from plant sources)
- **Wellness Value:** Certified organic flax oil for cardiovascular and brain health.

114. GABA-Val®

- **Ailments:** Anxiety, racing thoughts, difficulty relaxing, insomnia, muscle tension, stress
- **Deficiency:** GABA (Gamma-Aminobutyric Acid)
- **Wellness Value:** Supports relaxation, stress reduction, and a balanced mood.

115. Ganoderma Plus

- **Ailments:** Liver stress, weakened immunity, fatigue, elevated liver enzymes, toxin buildup
- **Deficiency:** Liver function support
- **Wellness Value:** Mushroom-based support for healthy liver function and immune health.

116. Garlic

- **Ailments:** High blood pressure, high cholesterol, frequent infections, poor circulation, cardiovascular risk
- **Deficiency:** Cardiovascular and immune system support
- **Wellness Value:** Pure, raw, odorless garlic for supporting immunity and cardiovascular health.

117. Garlic Pro

- **Ailments:** Cardiovascular concerns, weakened immunity, high cholesterol, frequent colds, poor circulation
- **Deficiency:** Cardiovascular health
- **Wellness Value:** Comprehensive support for immune and cardiovascular health.

118. Ginkgo Biloba 60

- **Ailments:** Poor memory, difficulty concentrating, cold extremities, poor circulation, cognitive decline
- **Deficiency:** Cognitive and circulatory support
- **Wellness Value:** Natural support for brain function, memory, and circulation.

119. Gluca-Balance

- **Ailments:** Blood sugar swings, energy crashes, sugar cravings, weight gain, insulin resistance
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Amino acid complex for healthy blood sugar balance and metabolism.

120. Gluco IR

- **Ailments:** Insulin resistance, metabolic syndrome, difficulty losing weight, elevated fasting glucose
- **Deficiency:** Insulin resistance
- **Wellness Value:** Advanced nutritional support for blood glucose regulation.

121. Gluco Support

- **Ailments:** Blood sugar fluctuations, sugar cravings, fatigue after eating, weight gain, pre-diabetic symptoms
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Supports healthy blood sugar levels and insulin sensitivity.

122. Glutezyme®

- **Ailments:** Gluten sensitivity, dairy intolerance, bloating after eating bread/dairy, digestive discomfort
- **Deficiency:** Gluten and casein digestion
- **Wellness Value:** Enzyme support for the digestion of gluten and casein.

123. Gly-Control®

- **Ailments:** Unstable blood sugar, energy crashes, sugar cravings, pre-diabetes, metabolic concerns
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Clinically formulated to support normal blood sugar levels.

124. Glyco Plus

- **Ailments:** Blood sugar imbalance, carbohydrate sensitivity, energy fluctuations, weight management issues
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Nutritional support for healthy blood sugar management.

125. GoodNight

- **Ailments:** Insomnia, difficulty falling asleep, restless sleep, nighttime waking, racing thoughts at bedtime
- **Deficiency:** Sleep support
- **Wellness Value:** Herbal support for restful sleep and relaxation.

126. Grapefruit Seed Extract

- **Ailments:** Digestive infections, candida, parasites, weakened gut immunity, recurring GI issues
- **Deficiency:** Gastrointestinal health
- **Wellness Value:** Promotes gastrointestinal and immune health.

127. Gugulipid

- **Ailments:** High cholesterol, elevated triglycerides, poor lipid profile, cardiovascular concerns
- **Deficiency:** Cholesterol management
- **Wellness Value:** Standardized extract for supporting healthy cholesterol levels.

128. Gut Barrier Panel Test

- **Ailments:** Suspected leaky gut, chronic inflammation, food sensitivities, autoimmune concerns
- **Deficiency:** Gut health assessment

- **Wellness Value:** Test to assess gut barrier integrity and related health issues.

129. Gynecrine®

- **Ailments:** Hormonal imbalance, irregular periods, PMS, fertility concerns, endocrine dysfunction
- **Deficiency:** Endocrine (hormonal) health
- **Wellness Value:** Female endocrine support formula promoting hormonal balance.

130. Hair, Skin, & Nails

- **Ailments:** Thinning hair, brittle nails, dry skin, premature aging, slow nail growth, dull complexion
- **Deficiency:** Nutrients for hair, skin, and nail health
- **Wellness Value:** Supports healthy growth and appearance of hair, skin, and nails.

131. HCl Support

- **Ailments:** Low stomach acid, bloating after meals, acid reflux, poor protein digestion, nutrient malabsorption
- **Deficiency:** Stomach acid (HCl) insufficiency
- **Wellness Value:** Betaine HCl and pepsin for stomach and digestion support.

132. Hemadyn Pro™

- **Ailments:** Anemia, chronic fatigue, pale skin, shortness of breath, dizziness, poor oxygen delivery
- **Deficiency:** Iron
- **Wellness Value:** Iron complex supporting healthy red blood cell production and oxygen transport.

133. Hemoglobin A1c (HbA1c) Blood Sugar Test

- **Ailments:** Unknown long-term blood sugar status, diabetes monitoring, pre-diabetes assessment
- **Deficiency:** Blood sugar assessment
- **Wellness Value:** Tests average blood sugar levels over the past 2-3 months.

134. Heprone

- **Ailments:** Liver stress, elevated enzymes, sluggish detox, fatigue, skin issues, digestive problems
- **Deficiency:** Liver health support
- **Wellness Value:** Nutritional support for healthy liver function and detoxification.

135. Herbal Eze

- **Ailments:** Minor aches, muscle tension, joint discomfort, inflammation, stress-related pain
- **Deficiency:** Inflammation and discomfort
- **Wellness Value:** Herbal relief for minor discomfort and inflammation.

136. His Vitality

- **Ailments:** Low testosterone, reduced libido, fatigue, muscle loss, mood changes, low motivation
- **Deficiency:** Male hormone balance
- **Wellness Value:** Comprehensive support for healthy male hormone balance.

137. Hormone Balance

- **Ailments:** Estrogen dominance, PMS, mood swings, weight gain, hormonal acne, irregular cycles

- **Deficiency:** Estrogen and hormonal balance
- **Wellness Value:** Nutritional support for healthy estrogen balance.

138. Humanofort

- **Ailments:** Slow muscle recovery, tissue breakdown, reduced vitality, aging symptoms, low growth factors
- **Deficiency:** Growth factors
- **Wellness Value:** Growth formula supporting muscle and tissue repair.

139. Hyaluronic Acid

- **Ailments:** Dry skin, joint stiffness, wrinkles, poor wound healing, eye dryness, loss of skin elasticity
- **Deficiency:** Connective tissue health
- **Wellness Value:** Supports healthy connective tissue, skin, and collagen production.

140. Hydrate

- **Ailments:** Dehydration, muscle cramps during exercise, electrolyte imbalance, fatigue, poor recovery
- **Deficiency:** Hydration and electrolytes
- **Wellness Value:** Hydration complex for maintaining electrolyte balance during physical activity.

141. I-3-C Plus

- **Ailments:** Estrogen dominance, hormonal imbalance, breast tenderness, weight gain, PMS symptoms
- **Deficiency:** Estrogen metabolism
- **Wellness Value:** Indole-3-carbinol and DIM support for estrogen metabolism and hormonal balance.

142. Immune PRP Pro

- **Ailments:** Weakened immunity, slow recovery from illness, autoimmune concerns, chronic infections
- **Deficiency:** Immune system support
- **Wellness Value:** Pure bovine colostrum for immune health and recovery.

143. Immune Resilience

- **Ailments:** Frequent colds, respiratory infections, weakened immunity, slow recovery, seasonal illness
- **Deficiency:** Immune system support
- **Wellness Value:** Comprehensive support for immune and respiratory health.

144. Immune Support

- **Ailments:** Frequent illness, slow healing, low resistance to infection, fatigue, weakened defenses
- **Deficiency:** Micronutrients for immune health
- **Wellness Value:** Micronutrient support for a healthy immune system.

145. Immunity Pro

- **Ailments:** Recurring infections, poor immune response, chronic illness, slow recovery, low resistance
- **Deficiency:** Immune system support
- **Wellness Value:** Supports healthy immune responses to infections.

146. Inflamm-Eze Plus

- **Ailments:** Chronic inflammation, joint pain, elevated inflammatory markers, muscle aches, stiffness
- **Deficiency:** Inflammation control
- **Wellness Value:** Comprehensive support for reducing inflammation markers.

147. Inflamase™

- **Ailments:** Digestive inflammation, bloating, joint discomfort, food sensitivities, chronic pain
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Two-phase release enzyme formula supporting digestion and inflammation.

148. Injury & Surgical Support Formula

- **Ailments:** Post-surgery recovery, injury healing, tissue repair needs, bruising, wound healing
- **Deficiency:** Tissue repair
- **Wellness Value:** Nutritional support for healthy tissue maintenance and recovery after injury or surgery.

149. Iron Support

- **Ailments:** Low iron, fatigue, weakness, pale skin, shortness of breath, poor concentration
- **Deficiency:** Iron
- **Wellness Value:** Supports essential iron levels for metabolic functions and energy production.

150. Joint Eze

- **Ailments:** Joint pain, stiffness, reduced mobility, inflammation, difficulty with daily activities
- **Deficiency:** Joint health
- **Wellness Value:** Supports healthy joints, mobility, and flexibility.

151. Ketone Strips

- **Ailments:** Need to monitor ketosis, keto diet tracking, metabolic assessment, fat-burning verification
- **Deficiency:** Ketone monitoring
- **Wellness Value:** Measures ketone levels to track fat metabolism during ketosis.

152. Kids Chewable Probiotic

- **Ailments:** Children's digestive issues, frequent illness in kids, antibiotic use, weakened child immunity
- **Deficiency:** Gut health (in children)
- **Wellness Value:** Probiotic supplement to support digestive health and immunity in children.

153. L-Carnitine 500

- **Ailments:** Fatigue, poor exercise performance, cardiovascular concerns, weight management issues
- **Deficiency:** Carnitine
- **Wellness Value:** Supports cardiovascular health and energy production.

154. L-Glutamine Powder

- **Ailments:** Leaky gut, muscle loss, weakened immunity, slow recovery, digestive issues, sugar cravings
- **Deficiency:** Glutamine
- **Wellness Value:** Supports digestive, immune, and muscular system health.

155. L-Glutathione

- **Ailments:** Oxidative stress, toxin buildup, weakened immunity, premature aging, liver stress, fatigue
- **Deficiency:** Glutathione
- **Wellness Value:** Immune and detox support with powerful antioxidant properties.

156. L-Lysine

- **Ailments:** Cold sores, slow wound healing, weakened immunity, anxiety, hair loss, poor collagen production
- **Deficiency:** Lysine (an essential amino acid)
- **Wellness Value:** Supports healthy immune function and collagen production.

157. L-Theanine Pro

- **Ailments:** Anxiety, racing thoughts, poor focus, stress, difficulty relaxing, sleep issues
- **Deficiency:** Stress response and cognitive function
- **Wellness Value:** Supports relaxation, stress management, and cognitive health.

158. L-Tryptophan

- **Ailments:** Insomnia, depression, anxiety, irritability, carbohydrate cravings, mood swings
- **Deficiency:** Serotonin production
- **Wellness Value:** Supports mood regulation, sleep, and relaxation by enhancing serotonin production.

159. L-Tyrosine

- **Ailments:** Mental fatigue, poor concentration, low motivation, thyroid issues, depression, stress sensitivity
- **Deficiency:** Dopamine and thyroid hormone production
- **Wellness Value:** Supports cognitive health, stress management, and thyroid function.

160. Lecithin

- **Ailments:** Poor memory, liver stress, high cholesterol, difficulty concentrating, fat metabolism issues
- **Deficiency:** Phospholipids and choline
- **Wellness Value:** Promotes healthy brain function, liver function, and fat metabolism.

161. Legs On Edge

- **Ailments:** Restless legs, leg cramps, nighttime leg discomfort, muscle twitching, difficulty sleeping
- **Deficiency:** Magnesium and leg discomfort
- **Wellness Value:** Supports occasional leg discomfort and restless legs by promoting muscle relaxation.

162. Licorice DGL Pro

- **Ailments:** Heartburn, acid reflux, stomach ulcers, digestive discomfort, gut lining damage
- **Deficiency:** Digestive health (mucosal lining)
- **Wellness Value:** Supports healthy digestive and immune function by protecting the stomach and intestinal lining.

163. Lipo-Complex®

- **Ailments:** Fat maldigestion, gallbladder issues, bloating after fatty meals, greasy stools
- **Deficiency:** Lipid digestion and metabolism
- **Wellness Value:** Enzyme formula to support lipid (fat) digestion and healthy fat metabolism.

164. Lipo-Flow

- **Ailments:** Slow fat metabolism, weight gain, difficulty losing fat, sluggish metabolism, cellulite
- **Deficiency:** Fat metabolism
- **Wellness Value:** Supports healthy fat metabolism and weight management.

165. Liposomal B12 Folate

- **Ailments:** B12 deficiency, fatigue, nerve issues, elevated homocysteine, poor methylation, anemia
- **Deficiency:** Vitamin B12 and folate
- **Wellness Value:** Supports cardiovascular and nervous system health with bioavailable B12 and folate.

166. Liposomal C

- **Ailments:** Weakened immunity, slow healing, easy bruising, skin aging, oxidative stress, collagen loss
- **Deficiency:** Vitamin C
- **Wellness Value:** Provides bioavailable vitamin C for antioxidant support, immunity, and collagen production.

167. Liposomal Curcumin

- **Ailments:** Chronic inflammation, joint pain, oxidative damage, cognitive decline, digestive issues
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Powerful antioxidant and anti-inflammatory support in a highly bioavailable form.

168. Liposomal DHEA

- **Ailments:** Low DHEA levels, fatigue, low libido, aging symptoms, hormonal imbalance, muscle loss
- **Deficiency:** DHEA hormone
- **Wellness Value:** Supports healthy hormone levels and overall vitality with enhanced absorption.

169. Liposomal Glutathione

- **Ailments:** Toxic overload, oxidative stress, weakened immunity, liver stress, premature aging, fatigue
- **Deficiency:** Glutathione (master antioxidant)
- **Wellness Value:** Provides bioavailable detox and antioxidant support for optimal health and cellular function.

170. Liposomal L-Theanine

- **Ailments:** Chronic stress, anxiety, difficulty focusing, restlessness, sleep difficulties
- **Deficiency:** Stress management
- **Wellness Value:** Supports a calm and healthy stress response through enhanced absorption of L-Theanine.

171. Liposomal Sleep

- **Ailments:** Insomnia, difficulty falling asleep, poor sleep quality, nighttime waking, restlessness
- **Deficiency:** Sleep support
- **Wellness Value:** Provides bioavailable nutrients to support restful sleep and relaxation.

172. Lipotrope™

- **Ailments:** Fatty liver, sluggish bile flow, weight gain, poor fat metabolism, toxin buildup

- **Deficiency:** Lipotropes (substances that promote fat metabolism)
- **Wellness Value:** Supports healthy liver function, fat metabolism, and detoxification.

173. Liquid Multi

- **Ailments:** Difficulty swallowing pills, nutritional deficiencies, low energy, fatigue, weakened immunity
- **Deficiency:** Micronutrients
- **Wellness Value:** Supports optimal health and energy with a comprehensive liquid multivitamin formula.

174. Lithinase

- **Ailments:** Mood instability, irritability, anxiety, emotional volatility, depressive symptoms
- **Deficiency:** Lithium
- **Wellness Value:** Supports mood stability and mental health.

175. Lithium Orotate

- **Ailments:** Mood swings, irritability, cognitive decline, emotional instability, anxiety, depression
- **Deficiency:** Lithium
- **Wellness Value:** Supports healthy mood and cognitive function in a bioavailable form.

176. Livatrate™

- **Ailments:** Liver stress, poor detoxification, fatigue, sluggish metabolism, skin issues
- **Deficiency:** Liver support
- **Wellness Value:** Raw liver concentrate for supporting healthy liver function and detoxification.

177. LiverCare®

- **Ailments:** Liver congestion, toxin buildup, elevated liver enzymes, sluggish detox, skin problems
- **Deficiency:** Liver detoxification
- **Wellness Value:** Supports detoxification and normal liver cell function.

178. Lung Support

- **Ailments:** Respiratory issues, shortness of breath, seasonal respiratory challenges, lung congestion, coughing
- **Deficiency:** Respiratory health
- **Wellness Value:** Supports lung function and respiratory health, especially during seasonal challenges.

179. Lutein

- **Ailments:** Macular degeneration, eye strain, blurry vision, sensitivity to light, cataracts risk
- **Deficiency:** Eye health and macular degeneration
- **Wellness Value:** Supports healthy vision and eye protection from oxidative stress with lutein and zeaxanthin.

180. M.C.H.C. Caps

- **Ailments:** Bone loss, osteoporosis, fractures, tooth decay, poor calcium absorption
- **Deficiency:** Calcium and phosphorus
- **Wellness Value:** Microcrystalline calcium hydroxyapatite complex to support bone health and formation.

181. Mag-K™

- **Ailments:** Muscle cramps, heart palpitations, electrolyte imbalance, fatigue, muscle weakness
- **Deficiency:** Magnesium and potassium
- **Wellness Value:** Supports healthy muscle function, cardiovascular health, and electrolyte balance.

182. Magnesium Citrate

- **Ailments:** Muscle cramps, constipation, anxiety, insomnia, headaches, restless legs
- **Deficiency:** Magnesium
- **Wellness Value:** Bioavailable magnesium for supporting muscle function, cardiovascular health, and relaxation.

183. Magnesium Glycinate

- **Ailments:** Anxiety, poor sleep, muscle tension, cramps, headaches, stress, restless legs
- **Deficiency:** Magnesium
- **Wellness Value:** Chelated magnesium for healthy muscle, bone, cardiovascular, and nervous system support.

184. Magtein®

- **Ailments:** Memory decline, brain fog, cognitive aging, difficulty learning, poor concentration
- **Deficiency:** Magnesium (especially in the brain)
- **Wellness Value:** Magnesium L-Threonate to support cognitive health and brain function.

185. MCT Oil

- **Ailments:** Low energy, difficulty with ketosis, weight management issues, brain fog, fatigue
- **Deficiency:** Medium-chain triglycerides (healthy fats)
- **Wellness Value:** Supports energy production, metabolism, and overall well-being with pure MCTs.

186. Mega 1 Daily

- **Ailments:** Nutritional gaps, low energy, weakened immunity, poor overall health, fatigue
- **Deficiency:** Multivitamins and minerals
- **Wellness Value:** Nutrient-packed daily multivitamin and mineral formula for overall health.

187. Melatonin 20

- **Ailments:** Severe insomnia, jet lag, shift work sleep disorder, delayed sleep phase, poor sleep quality
- **Deficiency:** Sleep regulation
- **Wellness Value:** Supports healthy, restorative sleep with melatonin.

188. Melatonin Liquid

- **Ailments:** Difficulty falling asleep, jet lag, nighttime waking, irregular sleep schedule
- **Deficiency:** Sleep regulation
- **Wellness Value:** Fast-acting liquid melatonin for quick support of healthy sleep patterns.

189. Melatonin TR Pro

- **Ailments:** Difficulty staying asleep, nighttime waking, fragmented sleep, early morning awakening
- **Deficiency:** Melatonin (sleep regulation)
- **Wellness Value:** Time-release melatonin to support restful and sustained sleep.

190. Memories™ with Seanol®-P

- **Ailments:** Memory loss, brain fog, cognitive decline, difficulty focusing, mental fatigue
- **Deficiency:** Cognitive function
- **Wellness Value:** Nutritional support for brain function, memory, and cognitive clarity.

191. Menopause Support

- **Ailments:** Hot flashes, night sweats, mood swings, vaginal dryness, sleep disturbances, bone loss
- **Deficiency:** Hormonal balance (postmenopausal)
- **Wellness Value:** Supports balanced hormones and well-being during menopause.

192. Methyl B12

- **Ailments:** Fatigue, nerve tingling, memory issues, mood changes, elevated homocysteine, anemia
- **Deficiency:** Vitamin B12
- **Wellness Value:** Co-enzyme form of Vitamin B12 to support energy, nerve health, and cardiovascular health.

193. Methyl Complete

- **Ailments:** Poor methylation, elevated homocysteine, fatigue, brain fog, mood issues, cardiovascular risk
- **Deficiency:** Methylation and homocysteine metabolism
- **Wellness Value:** Enhanced nutrient support for healthy methylation and homocysteine levels.

194. Methyl Support

- **Ailments:** MTHFR gene mutation, poor folate metabolism, elevated homocysteine, fatigue, mood issues
- **Deficiency:** Folate and methylation support
- **Wellness Value:** Bioactive L-5-MTHF for supporting healthy folate levels and methylation processes.

195. Migra Eze

- **Ailments:** Migraines, headaches, visual disturbances, sensitivity to light, nausea with headaches
- **Deficiency:** Cerebral circulation
- **Wellness Value:** Synergistic nutritional support for healthy cerebral circulation and migraine relief.

196. Milk Thistle Complex

- **Ailments:** Liver stress, toxin exposure, elevated liver enzymes, fatty liver, poor detoxification
- **Deficiency:** Liver detoxification
- **Wellness Value:** Herbal support for healthy liver function and detoxification.

197. MindCare®

- **Ailments:** Poor memory, difficulty concentrating, brain fog, mental fatigue, cognitive decline
- **Deficiency:** Cognitive health
- **Wellness Value:** Natural cerebral support for memory, focus, and cognitive clarity.

198. Mito Recharge

- **Ailments:** Chronic fatigue, cellular aging, poor stamina, muscle weakness, metabolic slowdown
- **Deficiency:** Cellular energy production
- **Wellness Value:** Promotes healthy mitochondrial function and energy production.

199. MSM Complex

- **Ailments:** Joint pain, inflammation, stiffness, muscle aches, connective tissue problems
- **Deficiency:** Joint health and inflammation
- **Wellness Value:** Methylsulfonylmethane (MSM) with magnesium for joint health and inflammation support.

200. MSM Rejuvenator

- **Ailments:** Skin aging, wrinkles, dull complexion, dry skin, slow wound healing
- **Deficiency:** Skin health
- **Wellness Value:** Anti-aging skin cream with MSM and Ester C for promoting healthy skin.

201. Muconell

- **Ailments:** Digestive discomfort, gut lining issues, inflammation, food sensitivities, leaky gut
- **Deficiency:** Digestive health
- **Wellness Value:** Supports digestive function and aids in maintaining a healthy mucosal lining in the gut.

202. Multi Caps

- **Ailments:** Nutritional deficiencies, low energy, weakened immunity, poor overall health
- **Deficiency:** Multivitamins and minerals
- **Wellness Value:** Multiple vitamin/mineral formula for comprehensive nutritional support and overall health.

203. Multi Plus

- **Ailments:** Comprehensive nutrient gaps, aging concerns, low energy, weakened immunity, fatigue
- **Deficiency:** Multivitamins and minerals
- **Wellness Value:** Comprehensive multivitamin, mineral, and nutrient formula for optimal health and longevity.

204. Multi-Scorb

- **Ailments:** Weakened immunity, oxidative stress, frequent colds, slow healing, gum bleeding
- **Deficiency:** Vitamin C and bioflavonoids
- **Wellness Value:** Vitamin C as mineral ascorbates with bioflavonoid complex for antioxidant and immune support.

205. Muscle Eze

- **Ailments:** Muscle tension, cramps, spasms, stiffness, soreness, difficulty relaxing muscles
- **Deficiency:** Muscle relaxation and tissue support
- **Wellness Value:** Targeted formula for supporting and relaxing healthy muscle tissue.

206. Muscle Eze Advanced

- **Ailments:** Chronic muscle tension, severe cramps, slow muscle recovery, persistent soreness
- **Deficiency:** Muscle recovery and relaxation
- **Wellness Value:** Comprehensive formula for targeted muscle support and recovery.

207. Myo-Inositol Complex

- **Ailments:** PCOS, irregular periods, insulin resistance, fertility issues, hormonal imbalance
- **Deficiency:** Healthy ovarian function
- **Wellness Value:** Supports healthy ovarian function and hormone balance, particularly in women with PCOS.

208. N-Acetyl-L-Cysteine

- **Ailments:** Oxidative stress, respiratory issues, liver stress, weakened immunity, mucus buildup
- **Deficiency:** Antioxidant and immune support
- **Wellness Value:** Provides antioxidant and immune support, promoting detoxification and respiratory health.

209. NAC-600

- **Ailments:** Toxic exposure, respiratory congestion, liver stress, weakened antioxidant defenses
- **Deficiency:** Antioxidant and immune support
- **Wellness Value:** Supports detoxification, antioxidant defense, and respiratory health.

210. Natto NSK Mega™

- **Ailments:** Poor circulation, blood clot risk, elevated fibrinogen, cardiovascular concerns
- **Deficiency:** Fibrinogen levels and cardiovascular health
- **Wellness Value:** Supports cardiovascular health by promoting healthy fibrinogen levels with nattokinase.

211. Nattokinase with Vitamin E

- **Ailments:** Blood clot risk, poor circulation, cardiovascular concerns, thick blood
- **Deficiency:** Cardiovascular health
- **Wellness Value:** Supports cardiovascular health and healthy blood clotting mechanisms.

212. Neptune Krill Oil

- **Ailments:** Inflammation, joint pain, cardiovascular concerns, cognitive decline, dry skin
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Provides pure krill oil for cardiovascular, brain, and joint health with high absorption.

213. Nerve Eze

- **Ailments:** Nerve pain, tingling, numbness, burning sensations, neuropathy, sciatica
- **Deficiency:** Nerve function
- **Wellness Value:** Bioavailable PEA and ALA for healthy nerve function and pain relief.

214. Neuro Balance (formerly Crave-Curb)

- **Ailments:** Cravings, nerve issues, emotional eating, addictive behaviors, mood instability
- **Deficiency:** Nerve function and cravings
- **Wellness Value:** Nutritional support for healthy nerve function and reducing cravings.

215. New Mood

- **Ailments:** Mild depression, anxiety, restlessness, mood swings, difficulty relaxing
- **Deficiency:** Mood regulation
- **Wellness Value:** Combination of St. John's Wort and L-Theanine for mood support and relaxation.

216. Niacinamide 500

- **Ailments:** Skin problems, fatigue, digestive issues, mouth sores, elevated cholesterol
- **Deficiency:** Niacin (Vitamin B3)
- **Wellness Value:** Supports healthy skin, nerve function, and cholesterol levels without flushing.

217. Nitric Boost

- **Ailments:** Poor circulation, erectile dysfunction, low energy, cold extremities, cardiovascular concerns
- **Deficiency:** Circulatory health
- **Wellness Value:** Advanced circulatory support for optimal cardiovascular health and nitric oxide production.

218. NutraZyme

- **Ailments:** Poor digestion, bloating, gas, nutrient malabsorption, food sensitivities
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Enzymatic support for healthy digestion and nutrient absorption.

219. Nutri-ChelX

- **Ailments:** Heavy metal toxicity, low glutathione, oxidative stress, toxin buildup, fatigue
- **Deficiency:** Detoxification
- **Wellness Value:** Supports healthy glutathione levels and detoxification processes.

220. Nutri-Min 72

- **Ailments:** Trace mineral deficiency, fatigue, weakened immunity, poor enzyme function, electrolyte imbalance
- **Deficiency:** Trace elements and minerals
- **Wellness Value:** Broad-spectrum trace element complex for overall health and mineral balance.

221. Nutricidin

- **Ailments:** Gut infections, microbial imbalance, digestive issues, weakened gut barrier, candida
- **Deficiency:** Gut health and microbial balance
- **Wellness Value:** Supports healthy gut barrier function and microbial balance.

222. NutriDyn Energy Fruits & Greens

- **Ailments:** Low energy, poor nutrition, oxidative stress, fatigue, weakened immunity
- **Deficiency:** Antioxidants and daily nutrients
- **Wellness Value:** Daily drink with the antioxidant power of over 20 servings of fruits and vegetables, plus energy-enhancing herbs.

223. NutriDyn Fruits & Greens

- **Ailments:** Poor vegetable intake, antioxidant deficiency, low energy, weakened immunity
- **Deficiency:** Antioxidants and daily nutrients
- **Wellness Value:** Daily drink with the antioxidant power of 20+ servings of fruits and vegetables, available in multiple flavors.

224. NutriDyn Fruits & Greens Immune Support

- **Ailments:** Weakened immunity, frequent illness, oxidative stress, seasonal illness susceptibility
- **Deficiency:** Immune health and antioxidants
- **Wellness Value:** Combines elderberry, quercetin, and zinc to provide powerful immune support.

225. NutriDyn Kids Fruits & Greens

- **Ailments:** Picky eating in children, poor vegetable intake, low immunity in kids, nutritional gaps
- **Deficiency:** Antioxidants and daily nutrients for children
- **Wellness Value:** A delicious daily drink that provides the antioxidant power of 20+ servings of fruits and vegetables for children.

226. Omega Pure Complete

- **Ailments:** Chronic inflammation, cardiovascular concerns, cognitive decline, joint pain, weakened immunity
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Marine lipid superfoods for optimal immune health, brain function, and cardiovascular support.

227. Omega Pure DHA 600

- **Ailments:** Cognitive decline, poor fetal brain development, eye health concerns, weakened immunity
- **Deficiency:** DHA (Omega-3)
- **Wellness Value:** Supports brain, eye, immune, and prenatal health with high DHA content.

228. Omega Pure EPA-DHA 1000

- **Ailments:** Inflammation, cardiovascular risk, cognitive issues, joint discomfort, weakened immunity
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Provides omega-3s in high amounts to support cardiovascular, cognitive, and immune health.

229. Omega Pure EPA-DHA 2400

- **Ailments:** Severe inflammation, high cardiovascular risk, significant cognitive concerns, joint pain
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Supports cardiovascular, cognitive, musculoskeletal, and immune function with high-dose EPA and DHA.

230. Omega Pure EPA-DHA 300

- **Ailments:** Mild inflammation, general cardiovascular support needs, cognitive maintenance
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Supports cardiovascular, immune, and cognitive function with smaller doses of EPA and DHA.

231. Omega Pure EPA-DHA 600+

- **Ailments:** Joint inflammation, cardiovascular concerns, oxidative stress, immune weakness
- **Deficiency:** Omega-3 fatty acids and Vitamin E
- **Wellness Value:** Combines omega-3s and Vitamin E for cardiovascular, immune, and joint health.

232. Omega Pure Kids EPA-DHA Liquid

- **Ailments:** Poor focus in children, developmental concerns, weakened child immunity, behavioral issues
- **Deficiency:** Omega-3 fatty acids (in children)
- **Wellness Value:** Liquid omega-3 formula designed for children to support brain, immune, and cognitive function.

233. Omega-3 Care Natural CLO

- **Ailments:** Vitamin A/D deficiency, dry skin, weak bones, frequent infections, joint stiffness
- **Deficiency:** Omega-3 fatty acids and vitamins A and D
- **Wellness Value:** Norwegian cod liver oil providing naturally occurring fatty acids along with vitamins A and D.

234. Omega-3 Index - Basic Test

- **Ailments:** Unknown omega-3 status, cardiovascular risk assessment, inflammation concerns
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** A test to measure omega-3 levels in the body, providing insight into cardiovascular and overall health.

235. Optex

- **Ailments:** Eye strain, macular degeneration risk, blurry vision, sensitivity to glare, cataracts
- **Deficiency:** Eye health
- **Wellness Value:** Eye function support with lutein and other synergistic nutrients to promote vision health.

236. Organo Iodine Drops™

- **Ailments:** Thyroid issues, fatigue, weight gain, cold intolerance, brain fog, dry skin
- **Deficiency:** Iodine
- **Wellness Value:** Natural liquid iodine to support thyroid health and hormone balance.

237. Osteo Renew

- **Ailments:** Bone loss, osteoporosis, fracture risk, muscle cramps, weak teeth
- **Deficiency:** Bone density and calcium
- **Wellness Value:** Comprehensive support for healthy bones, including calcium, magnesium, and vitamin D.

238. Osteo-Mins™ PM with D

- **Ailments:** Nighttime leg cramps, bone loss, poor calcium absorption, osteoporosis risk
- **Deficiency:** Calcium and bone health
- **Wellness Value:** Bioavailable calcium essential for bone health, taken at night for enhanced absorption.

239. Oxy-Pro™

- **Ailments:** Oxidative stress, cellular damage, premature aging, fatigue, weakened immunity
- **Deficiency:** Antioxidant support
- **Wellness Value:** Antioxidant complex supporting cellular health and oxidative stress reduction.

240. Pan 5X®

- **Ailments:** Pancreatic insufficiency, poor digestion, bloating, nutrient malabsorption, digestive discomfort

- **Deficiency:** Digestive enzymes
- **Wellness Value:** Raw pancreas enzyme concentrate to support digestion and nutrient absorption.

241. Pantothenic 500

- **Ailments:** Fatigue, adrenal exhaustion, poor stress tolerance, skin problems, digestive issues
- **Deficiency:** Pantothenic acid (Vitamin B5)
- **Wellness Value:** Supports adrenal health, energy production, and fat metabolism.

242. Para Thyrolate®

- **Ailments:** Calcium metabolism issues, muscle cramps, bone problems, parathyroid dysfunction
- **Deficiency:** Parathyroid health
- **Wellness Value:** Nutritional support for healthy parathyroid function and calcium metabolism.

243. ParaCleanse

- **Ailments:** Parasitic infection, digestive issues, bloating, fatigue, unexplained weight changes
- **Deficiency:** Digestive health and detoxification
- **Wellness Value:** Comprehensive support for digestive health and detoxification, particularly for parasitic infections.

244. Paradex™

- **Ailments:** Digestive parasites, gut infections, weakened immunity, digestive discomfort
- **Deficiency:** Herbal support for digestive and immune health
- **Wellness Value:** Herbal formula supporting healthy digestion and immune function.

245. PeriMenopause Support

- **Ailments:** Hot flashes, irregular periods, mood swings, sleep issues, weight gain, fatigue
- **Deficiency:** Hormonal balance (perimenopause)
- **Wellness Value:** Supports balanced hormones during perimenopause to reduce symptoms like hot flashes and mood swings.

246. Phosphatidyl Serine

- **Ailments:** Memory decline, poor concentration, cognitive aging, mental fatigue, stress
- **Deficiency:** Cognitive health and brain function
- **Wellness Value:** Supports healthy brain function, memory, and cognitive clarity.

247. Pomegranate with Super Fruits

- **Ailments:** Oxidative stress, cardiovascular concerns, inflammation, premature aging, weakened immunity
- **Deficiency:** Antioxidants
- **Wellness Value:** Featuring Pomella® pomegranate extract for powerful antioxidant support and overall health.

248. Potasinase™

- **Ailments:** Muscle cramps, heart palpitations, weakness, fatigue, irregular heartbeat, high blood pressure
- **Deficiency:** Potassium
- **Wellness Value:** Naturally chelated potassium to support cardiovascular health and muscle function.

249. Potassium

- **Ailments:** Muscle weakness, cramps, fatigue, heart palpitations, irregular heartbeat, high blood pressure
- **Deficiency:** Potassium
- **Wellness Value:** Nutritional support for the cardiac bio-electric system and electrolyte balance.

250. Prenatal

- **Ailments:** Nutritional needs during pregnancy, fetal development support, morning sickness, fatigue
- **Deficiency:** Micronutrients for pregnancy
- **Wellness Value:** Comprehensive prenatal formula to support a healthy pregnancy, including essential vitamins and minerals.

251. Primrose Oil

- **Ailments:** PMS, breast tenderness, hormonal acne, dry skin, inflammation, menstrual irregularities
- **Deficiency:** Gamma-linolenic acid (GLA) and omega-6 fatty acids
- **Wellness Value:** Supports hormonal balance, skin health, and inflammatory response with evening primrose oil.

252. PRM Resolve

- **Ailments:** Chronic inflammation, slow tissue healing, persistent pain, inflammatory conditions
- **Deficiency:** Pro-resolving mediators (SPMs)
- **Wellness Value:** Supports the body's natural inflammation resolution process, promoting healthy inflammation response and tissue repair.

253. PRM Resolve Liquid

- **Ailments:** Severe inflammation, tissue damage, chronic inflammatory conditions, slow healing
- **Deficiency:** Pro-resolving mediators (SPMs)
- **Wellness Value:** Liquid form for advanced inflammation resolution and tissue healing.

254. Pro-Antho Forte™

- **Ailments:** Oxidative stress, cardiovascular concerns, aging skin, weakened immunity, inflammation
- **Deficiency:** Antioxidants (flavonoids)
- **Wellness Value:** Flavonoid antioxidant complex with resveratrol to support cardiovascular, immune, and anti-aging health.

255. Probiotic MPF™

- **Ailments:** Digestive issues, weakened immunity, gut flora imbalance, bloating, irregular bowels
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Supports intestinal health and immune function with a blend of beneficial probiotics.

256. Profeminell Cream

- **Ailments:** Low progesterone, PMS, irregular cycles, menstrual discomfort, hormonal imbalance
- **Deficiency:** Progesterone
- **Wellness Value:** Natural progesterone topical cream for hormonal balance and menstrual health.

257. Prolan-H™

- **Ailments:** Hormonal imbalances, pituitary dysfunction, growth issues, metabolic problems
- **Deficiency:** Pituitary and hypothalamus support
- **Wellness Value:** Glandular concentrate supporting healthy pituitary and hypothalamus function.

258. Prosta Glan®

- **Ailments:** Prostate enlargement, frequent urination, weak urine flow, nighttime urination
- **Deficiency:** Prostate health
- **Wellness Value:** Raw prostate concentrate plus support factors for prostate and urinary health.

259. Prostate Support

- **Ailments:** Enlarged prostate, urinary difficulties, frequent urination, weak stream, nighttime urination
- **Deficiency:** Prostate and urinary health
- **Wellness Value:** Nutritional support for healthy prostate function and urinary flow.

260. Prostinell

- **Ailments:** Prostate issues, urinary discomfort, frequent urination, incomplete emptying, weak flow
- **Deficiency:** Prostate health
- **Wellness Value:** Supports healthy prostate function and urinary health.

261. Pure D-Phenyl-Relief

- **Ailments:** Chronic pain, low endorphins, depression, discomfort, difficulty managing pain naturally
- **Deficiency:** Pain relief
- **Wellness Value:** Pharmaceutical-grade D-phenylalanine for natural pain management and endorphin support.

262. Pure Gaba

- **Ailments:** Anxiety, racing thoughts, difficulty relaxing, insomnia, muscle tension, stress
- **Deficiency:** GABA (Gamma-aminobutyric acid)
- **Wellness Value:** Supports relaxation, stress relief, and balanced mood.

263. Pure Glycine

- **Ailments:** Poor sleep, difficulty detoxing, joint stiffness, skin problems, digestive issues
- **Deficiency:** Glycine (amino acid)
- **Wellness Value:** Supports detoxification, sleep, and collagen production.

264. Pure L-Alanine

- **Ailments:** Low energy, poor blood sugar regulation, muscle fatigue, poor exercise performance
- **Deficiency:** L-Alanine (amino acid)
- **Wellness Value:** Supports muscle metabolism and energy production.

265. Pure L-Arginine HCl

- **Ailments:** Poor circulation, erectile dysfunction, high blood pressure, slow wound healing, low nitric oxide
- **Deficiency:** Nitric oxide production
- **Wellness Value:** Supports cardiovascular health and nitric oxide production for healthy circulation.

266. Pure L-Citrulline

- **Ailments:** Poor blood flow, erectile dysfunction, fatigue during exercise, muscle weakness, poor recovery
- **Deficiency:** Nitric oxide and circulation
- **Wellness Value:** Supports healthy blood flow, nitric oxide production, and muscle performance.

267. Pure L-Glutamine

- **Ailments:** Leaky gut, muscle wasting, weakened immunity, sugar cravings, slow recovery
- **Deficiency:** Glutamine (amino acid)
- **Wellness Value:** Supports healthy digestive, immune, and muscular system functions.

268. Pure L-Glutathione

- **Ailments:** Toxin overload, oxidative damage, weakened immunity, liver stress, premature aging
- **Deficiency:** Glutathione (antioxidant)
- **Wellness Value:** Pharmaceutical-grade glutathione for detoxification, immune support, and antioxidant protection.

269. Pure L-Histidine

- **Ailments:** Allergies, anemia, poor wound healing, joint stiffness, digestive issues
- **Deficiency:** L-Histidine (amino acid)
- **Wellness Value:** Supports detoxification, immune function, and histamine regulation.

270. Pure L-Lysine

- **Ailments:** Cold sores, weakened immunity, slow wound healing, anxiety, poor collagen production
- **Deficiency:** Lysine (amino acid)
- **Wellness Value:** Supports immune system function and collagen formation.

271. Pure L-Methionine

- **Ailments:** Liver issues, poor detoxification, skin problems, hair loss, joint pain
- **Deficiency:** Methionine (amino acid)
- **Wellness Value:** Supports detoxification, metabolism, and liver function.

272. Pure L-Proline

- **Ailments:** Poor skin elasticity, joint problems, slow wound healing, weak connective tissue
- **Deficiency:** Proline (amino acid)
- **Wellness Value:** Supports collagen production, skin health, and joint integrity.

273. Pure L-Serine

- **Ailments:** Cognitive decline, nerve problems, poor memory, difficulty concentrating, brain fog
- **Deficiency:** Serine (amino acid)
- **Wellness Value:** Supports cognitive function, nerve health, and brain function.

274. Pure L-Threonine

- **Ailments:** Weakened immunity, poor collagen formation, digestive issues, fatty liver, muscle weakness
- **Deficiency:** Threonine (amino acid)

- **Wellness Value:** Supports immune function, collagen formation, and overall protein metabolism.

275. Pure Taurine

- **Ailments:** Heart palpitations, anxiety, muscle cramps, eye problems, poor detoxification
- **Deficiency:** Taurine (amino acid)
- **Wellness Value:** Supports cardiovascular health, electrolyte balance, and nervous system function.

276. Pyloristat

- **Ailments:** H. pylori infection, stomach ulcers, chronic gastritis, digestive discomfort, heartburn
- **Deficiency:** Stomach health (H. pylori management)
- **Wellness Value:** Supports healthy stomach function and provides natural management of H. pylori.

277. Quercetin 500

- **Ailments:** Allergies, inflammation, oxidative stress, histamine reactions, weakened immunity
- **Deficiency:** Antioxidants
- **Wellness Value:** Supports antioxidant defense, immune function, and inflammation modulation.

278. R-Lipoic Acid

- **Ailments:** Oxidative stress, blood sugar issues, nerve damage, cellular aging, liver stress
- **Deficiency:** Antioxidants
- **Wellness Value:** Potent antioxidant for supporting cellular health and metabolic function.

279. Rehab Forte®

- **Ailments:** Post-injury pain, surgical recovery, tissue damage, muscle strain, slow healing
- **Deficiency:** Musculoskeletal support
- **Wellness Value:** Supports musculoskeletal recovery after injury or surgery with targeted nutrients.

280. Renal Complex

- **Ailments:** Kidney stress, poor fluid balance, toxin buildup, urinary issues, edema
- **Deficiency:** Kidney function
- **Wellness Value:** Nutritional support for healthy kidney function and detoxification.

281. Renatrate™

- **Ailments:** Kidney weakness, electrolyte imbalance, urinary problems, fluid retention, fatigue
- **Deficiency:** Kidney health
- **Wellness Value:** Kidney concentrate plus vitamins for supporting healthy kidney function and electrolyte balance.

282. Resveratrol Plus

- **Ailments:** Cardiovascular aging, oxidative stress, inflammation, hormonal imbalance, cellular aging
- **Deficiency:** Antioxidants (resveratrol)
- **Wellness Value:** Supports cardiovascular, hormonal, and immune health with premium resveratrol.

283. Selenase™

- **Ailments:** Thyroid problems, weakened immunity, oxidative stress, cancer risk factors, infertility

- **Deficiency:** Selenium
- **Wellness Value:** Naturally chelated selenium in a mixed vegetable concentrate for antioxidant and immune support.

284. Spectrum BR

- **Ailments:** Respiratory infections, digestive issues, seasonal illness, coughing, sinus problems
- **Deficiency:** Gastrointestinal and respiratory tract health
- **Wellness Value:** Herbal support for gastrointestinal and respiratory function, particularly during seasonal challenges.

285. Stevita Delight

- **Ailments:** Sugar cravings, blood sugar concerns, weight management, desire for healthy sweetening
- **Deficiency:** Natural sweetener (sugar-free)
- **Wellness Value:** Semi-sweet, sugar-free natural cocoa powder for healthy sweetening.

286. Stevita hum™ Sugar-Free Gum

- **Ailments:** Sugar cravings, dental concerns, desire for sugar-free alternatives, dry mouth
- **Deficiency:** Sugar-free sweetener
- **Wellness Value:** Delicious sugar-free gum for oral health and natural sweetening.

287. Stevita Naturals

- **Ailments:** Sugar addiction, blood sugar spikes, weight gain from sugar, need for sugar alternatives
- **Deficiency:** Natural sweetener
- **Wellness Value:** All-natural sweetener for healthy sugar alternatives.

288. Stevita® Supreme

- **Ailments:** Sugar dependency, diabetes risk, weight management, need for calorie-free sweetening
- **Deficiency:** Natural sweetener
- **Wellness Value:** The original stevia-based natural sweetener for use in beverages and cooking.

289. Stress Essentials Adrenal B1B6

- **Ailments:** Adrenal exhaustion, chronic stress, fatigue, poor stress response, low energy
- **Deficiency:** Adrenal function
- **Wellness Value:** Micronutrient support for healthy adrenal function and stress response.

290. Stress Essentials Adrenal Renew

- **Ailments:** High cortisol, adrenal burnout, chronic fatigue, anxiety, weight gain around midsection
- **Deficiency:** Adrenal fatigue
- **Wellness Value:** Supports balanced cortisol levels and adrenal health.

291. Stress Essentials Balance

- **Ailments:** Chronic stress, adrenal depletion, anxiety, fatigue, mood instability, poor resilience
- **Deficiency:** Adrenal and stress response
- **Wellness Value:** Herbal support for maintaining healthy adrenal function and reducing stress.

292. Stress Essentials Calm (formerly Calm Eze)

- **Ailments:** Anxiety, nervousness, restlessness, difficulty relaxing, stress-induced insomnia
- **Deficiency:** Stress management
- **Wellness Value:** Nutritional support for healthy stress management, calmness, and relaxation.

293. Stress Essentials Cortisol Pro

- **Ailments:** Elevated cortisol, chronic stress, weight gain, sleep disturbances, anxiety, fatigue
- **Deficiency:** Cortisol balance
- **Wellness Value:** Adaptogenic support for a healthy stress response and balanced cortisol levels.

294. Stress Essentials Licorice Complex

- **Ailments:** Low cortisol, adrenal exhaustion, fatigue, low blood pressure, salt cravings
- **Deficiency:** Adrenal function
- **Wellness Value:** Herbal support for optimal adrenal function and stress management.

295. Stress Essentials Relax

- **Ailments:** Anxiety, overstimulation, difficulty calming down, racing thoughts, muscle tension
- **Deficiency:** GABA and glutamate balance
- **Wellness Value:** Supports healthy GABA and glutamate balance for relaxation and stress relief.

296. Stress Essentials Serenity

- **Ailments:** Chronic stress, anxiety, restlessness, difficulty unwinding, mood imbalances
- **Deficiency:** Herbal stress management
- **Wellness Value:** Traditional formula for stress management and relaxation.

297. Sulforaphane Complex

- **Ailments:** Toxin exposure, poor phase II detox, oxidative stress, cellular damage, cancer risk factors
- **Deficiency:** Detoxification
- **Wellness Value:** Supports healthy detoxification processes with potent sulforaphane from cruciferous vegetables.

298. Super-Sports

- **Ailments:** Muscle fatigue, slow recovery, poor endurance, muscle loss during training, low energy
- **Deficiency:** Branched-chain amino acids (BCAA)
- **Wellness Value:** BCAA complex for supporting muscle recovery, endurance, and lean body mass.

299. Suppys Immunity

- **Ailments:** Frequent childhood illness, weakened child immunity, slow recovery in kids, seasonal illness
- **Deficiency:** Immune support (for children)
- **Wellness Value:** All-natural immune support for children to promote overall health and resilience.

300. Suppys Multi-Vitamin

- **Ailments:** Nutritional gaps in children, picky eating, low energy in kids, weakened child immunity
- **Deficiency:** Multivitamins (for children)
- **Wellness Value:** Children's chewable multivitamin for supporting growth, development, and immune health.

301. Suppys Omega-3 DHA

- **Ailments:** Poor focus in children, developmental delays, learning difficulties, behavioral issues
- **Deficiency:** Omega-3 fatty acids (for children)
- **Wellness Value:** All-natural brain development support formula for children, providing effective doses of DHA and EPA omega-3 fatty acids.

302. Testro Balance

- **Ailments:** Low testosterone, fatigue, low libido, muscle loss, mood changes, reduced energy
- **Deficiency:** Testosterone and male hormone balance
- **Wellness Value:** Micronutrient and herbal support for promoting healthy testosterone levels and overall male hormone balance.

303. Thyro Complex®

- **Ailments:** Sluggish thyroid, weight gain, fatigue, cold intolerance, hair loss, dry skin
- **Deficiency:** Thyroid function
- **Wellness Value:** Glandular thyroid support formula to promote healthy thyroid function and metabolism.

304. Thyroid Complex

- **Ailments:** Low thyroid function, fatigue, weight gain, brain fog, cold sensitivity, constipation
- **Deficiency:** Thyroid function
- **Wellness Value:** Nutritional support to promote healthy thyroid function and overall metabolism.

305. Thyroid Pro

- **Ailments:** Thyroid imbalance, fatigue, metabolic slowdown, weight issues, mood changes, hair thinning
- **Deficiency:** Thyroid function
- **Wellness Value:** Supports thyroid health by providing nutrients that promote optimal thyroid function and hormone balance.

306. Tonalin® CLA

- **Ailments:** Stubborn body fat, difficulty maintaining lean mass, weight management struggles, slow metabolism
- **Deficiency:** Conjugated Linoleic Acid (CLA)
- **Wellness Value:** Supports healthy body composition and fat metabolism, particularly for weight management.

307. Tranquinell

- **Ailments:** Anxiety, restlessness, difficulty relaxing, stress, nervous tension, sleep difficulties
- **Deficiency:** Stress and relaxation support
- **Wellness Value:** Natural calming complex designed to support relaxation and stress management.

308. Tri-40™

- **Ailments:** Thyroid problems, iodine deficiency, weakened immunity, metabolic issues, fatigue
- **Deficiency:** Iodine and thyroid health
- **Wellness Value:** Iodine with thyroid, thymus, and spleen concentrates to support thyroid function and overall metabolic health.

309. Tri-Phos-B

- **Ailments:** Low energy, poor nerve function, fatigue, stress sensitivity, metabolic slowdown
- **Deficiency:** Activated B-vitamins
- **Wellness Value:** Provides activated forms of B-vitamins to support energy metabolism, nervous system health, and overall vitality.

310. Tribulstan

- **Ailments:** Low testosterone, reduced libido, fatigue, poor athletic performance, muscle weakness
- **Deficiency:** Testosterone and male hormone balance
- **Wellness Value:** Nutritional support for promoting healthy testosterone levels and enhancing male vitality.

311. Trypto-Plus

- **Ailments:** Insomnia, depression, anxiety, mood swings, carbohydrate cravings, irritability
- **Deficiency:** Tryptophan and serotonin
- **Wellness Value:** Tryptophan with co-factors Vitamin B6 and B2 to support mood, sleep, and overall emotional well-being.

312. U-Tract® Complex Caps

- **Ailments:** Urinary tract infections, bladder discomfort, frequent urination, burning sensation, UTI recurrence
- **Deficiency:** Urinary tract health
- **Wellness Value:** Nutritional support for promoting healthy urinary tract function and preventing infections.

313. Ultimate Fat Burner

- **Ailments:** Slow metabolism, difficulty losing weight, stubborn fat, low energy, weight plateaus
- **Deficiency:** Metabolism and fat management
- **Wellness Value:** Supports metabolism and healthy body composition, aiding in fat loss.

314. UltraBiotic Akkermansia Plus

- **Ailments:** Weight gain, blood sugar issues, metabolic dysfunction, gut barrier problems, inflammation
- **Deficiency:** Gut microbiome health
- **Wellness Value:** Supports weight management and healthy glucose metabolism by promoting a balanced gut microbiome.

315. UltraBiotic Bifidus

- **Ailments:** Digestive irregularity, bloating, weakened gut health, constipation, poor nutrient absorption
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Bifidobacterium lactis for promoting healthy gut flora and digestion.

316. UltraBiotic Complete

- **Ailments:** Comprehensive digestive issues, weakened immunity, gut flora imbalance, bloating, irregular bowels
- **Deficiency:** Gut microbiome balance

- **Wellness Value:** Comprehensive probiotic blend for promoting a healthy gut microbiome and supporting digestion and immunity.

317. UltraBiotic Daily

- **Ailments:** Daily digestive maintenance needs, weakened immunity, mild gut flora imbalance
- **Deficiency:** Gut health and immunity
- **Wellness Value:** Foundational probiotics for maintaining healthy gut flora and promoting immune function.

318. UltraBiotic Daily Extra Strength

- **Ailments:** Significant gut flora imbalance, weakened immunity, digestive distress, antibiotic recovery
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** High-dose probiotic formula for fortifying gut flora and supporting immune health.

319. UltraBiotic Daily Multi-Strain

- **Ailments:** Diverse gut flora needs, digestive issues, weakened immunity, bloating, irregular digestion
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Multi-strain probiotic blend to support a healthy gut microbiome and digestion.

320. UltraBiotic Daily Powder

- **Ailments:** Difficulty swallowing pills, gut flora imbalance, digestive issues, children's probiotic needs
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Daily probiotic powder with XOS to promote healthy gut flora balance and digestive health.

321. UltraBiotic Defense

- **Ailments:** Weakened immunity, frequent illness, slow recovery, susceptibility to infections
- **Deficiency:** Immune system support
- **Wellness Value:** Targeted probiotic formula for supporting a healthy immune response.

322. UltraBiotic Dophilus

- **Ailments:** Dairy sensitivities, allergen concerns, digestive issues, weakened immunity, gut imbalance
- **Deficiency:** Gut microbiome balance (dairy and allergen-free)
- **Wellness Value:** Dairy and allergen-free Lactobacillus acidophilus to promote digestive health and immunity.

323. UltraBiotic Integrity

- **Ailments:** Leaky gut, gut barrier dysfunction, food sensitivities, inflammation, digestive discomfort
- **Deficiency:** Gastrointestinal health
- **Wellness Value:** Targeted probiotic support for promoting gastrointestinal integrity and gut barrier function.

324. UltraBiotic Prebiotic

- **Ailments:** Poor prebiotic intake, gut flora starvation, digestive issues, constipation, weak microbiome
- **Deficiency:** Prebiotics for gut microbiome support

- **Wellness Value:** Advanced prebiotic formula for nourishing the gut microbiome and promoting overall digestive health.

325. UltraBiotic Probiotic Pro

- **Ailments:** Chronic digestive issues, severe gut flora imbalance, weakened immunity, GI distress
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Comprehensive probiotic support for promoting a healthy gut microbiome and digestive function.

326. UltraBiotic *Saccharomyces boulardii*

- **Ailments:** Antibiotic-associated diarrhea, traveler's diarrhea, C. diff infection, gut flora disruption
- **Deficiency:** Gut microbiome health
- **Wellness Value:** Supports healthy intestinal flora balance, especially during or after antibiotic use.

327. UltraBiotic Spore Probio

- **Ailments:** Gut flora imbalance, weakened immunity, digestive issues, need for shelf-stable probiotics
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Nourishing support for a balanced gut microbiome, promoting digestive and immune health.

328. UltraBiotic Women's

- **Ailments:** Vaginal infections, yeast infections, UTIs, women's digestive issues, hormonal gut imbalance
- **Deficiency:** Female-specific gut and vaginal health
- **Wellness Value:** Targeted probiotic formula for optimal women's health, including vaginal and urinary tract support.

329. UT Soothe

- **Ailments:** UTI discomfort, burning urination, bladder irritation, urinary urgency, recurring UTIs
- **Deficiency:** Urinary tract health
- **Wellness Value:** Supports healthy urinary tract function and helps soothe discomfort related to urinary tract infections.

330. Vanadium Complex

- **Ailments:** Blood sugar instability, insulin resistance, sugar cravings, metabolic issues, pre-diabetes
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Supports healthy blood sugar levels and insulin sensitivity.

331. Vanadium Complex with Cinnulin PF®

- **Ailments:** Insulin resistance, blood sugar spikes, metabolic syndrome, difficulty managing glucose
- **Deficiency:** Blood sugar regulation
- **Wellness Value:** Combines vanadium and Cinnulin PF® to support healthy glucose metabolism and insulin sensitivity.

332. Visio Plex®

- **Ailments:** Vision decline, macular degeneration, eye strain, cataracts risk, oxidative eye damage
- **Deficiency:** Eye health and vision support

- **Wellness Value:** Eye concentrate with lutein and other synergistic nutrients to support vision health and reduce oxidative stress in the eyes.

333. Vita-Minz Plus

- **Ailments:** Nutritional deficiencies, low energy, weakened immunity, fatigue, aging concerns
- **Deficiency:** Multivitamins and minerals
- **Wellness Value:** Comprehensive multivitamin and mineral formula for supporting overall health and longevity.

334. Vitamin B6

- **Ailments:** Mood changes, fatigue, confusion, weakened immunity, skin rashes, cracked lips
- **Deficiency:** Pyridoxine (Vitamin B6)
- **Wellness Value:** Supports brain function, energy metabolism, and overall nervous system health.

335. Vitamin C 1000

- **Ailments:** Frequent colds, slow healing, bleeding gums, easy bruising, dry skin, fatigue
- **Deficiency:** Vitamin C
- **Wellness Value:** Supports immune function, skin health, and antioxidant defenses.

336. Vitamin C 1000 Complex

- **Ailments:** Weakened immunity, oxidative stress, collagen breakdown, slow healing, skin aging
- **Deficiency:** Vitamin C and bioflavonoids
- **Wellness Value:** Potent Vitamin C blend for antioxidant support, immune health, and collagen production.

337. Vitamin C 500 Bio Complex

- **Ailments:** Mild immune weakness, skin health concerns, need for antioxidant support, easy bruising
- **Deficiency:** Vitamin C
- **Wellness Value:** Antioxidant and immune system support, promoting overall wellness and skin health.

338. Vitamin D - Test

- **Ailments:** Unknown vitamin D status, bone health concerns, immune issues, fatigue, depression
- **Deficiency:** Vitamin D
- **Wellness Value:** Lab test to measure vitamin D levels and ensure adequate bone, immune, and cardiovascular health.

339. Vitamin K2

- **Ailments:** Arterial calcification, weak bones, poor calcium utilization, cardiovascular concerns, osteoporosis
- **Deficiency:** Vitamin K2 (Menaquinone-7)
- **Wellness Value:** Supports bone health, cardiovascular health, and proper calcium metabolism.

340. Vitrex C

- **Ailments:** Weakened immunity, oxidative stress, collagen loss, slow wound healing, skin aging
- **Deficiency:** Antioxidant support
- **Wellness Value:** Provides antioxidant support for immune function and collagen synthesis.

341. Zinc Lozenge

- **Ailments:** Sore throat, cold symptoms, weakened immunity, respiratory infections, slow healing
- **Deficiency:** Zinc
- **Wellness Value:** Immune support with zinc in a convenient lozenge form to promote respiratory and immune health.

342. Zinc Picolinate

- **Ailments:** Weakened immunity, skin problems, slow wound healing, hair loss, frequent infections
- **Deficiency:** Zinc
- **Wellness Value:** Supports healthy respiratory, immune function, and overall wellness, with highly bioavailable zinc.

343. Zinc Pro

- **Ailments:** Immune weakness, acne, slow healing, hair loss, loss of taste/smell, frequent colds
- **Deficiency:** Zinc
- **Wellness Value:** Highly bioavailable chelated zinc for supporting immune function, skin health, and wound healing.

344. Zinc-Carnosine

- **Ailments:** Stomach ulcers, gastritis, H. pylori, gut lining damage, digestive discomfort, heartburn
- **Deficiency:** Zinc and gut health
- **Wellness Value:** Chelated zinc-carnosine complex for gastrointestinal support and gut lining integrity.

345. Zyme-Aid

- **Ailments:** Bloating, gas, indigestion, poor nutrient absorption, feeling heavy after meals
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Supports healthy digestion and nutrient absorption by providing a comprehensive enzyme blend to break down food components.

346. Zyme-Aid Pro

- **Ailments:** Chronic digestive issues, enzyme insufficiency, severe bloating, malabsorption, pancreatic concerns
- **Deficiency:** Digestive enzyme insufficiency
- **Wellness Value:** Advanced enzyme formula designed to support digestion, particularly for individuals with enzyme insufficiency or chronic digestive issues.

347. Zyme-Pro

- **Ailments:** Poor protein digestion, fat malabsorption, carbohydrate intolerance, bloating, nutrient deficiency
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Supports the breakdown of carbohydrates, fats, and proteins to enhance nutrient absorption and digestive comfort.

348. Zymax®

- **Ailments:** Comprehensive digestive issues, food intolerances, bloating, gas, digestive discomfort
- **Deficiency:** Digestive enzymes

- **Wellness Value:** Comprehensive enzyme formula designed to support the digestion of a broad range of foods, improving gut health and alleviating discomfort.

349. Zymax® Plus

- **Ailments:** Severe digestive problems, multiple food intolerances, chronic bloating, malabsorption, IBS symptoms
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Enhanced enzyme blend to provide powerful support for individuals with digestive issues, including those related to food intolerances.

350. UltraOmega-3

- **Ailments:** Inflammation, cardiovascular concerns, cognitive decline, joint pain, dry skin
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** High-potency omega-3 supplement to support cardiovascular health, brain function, and joint mobility.

351. UltraOmega-3 with D3

- **Ailments:** Combined omega-3 and vitamin D deficiency, bone weakness, immune issues, inflammation
- **Deficiency:** Omega-3 and Vitamin D3
- **Wellness Value:** Provides combined benefits of omega-3 fatty acids and Vitamin D3 for supporting heart health, immune function, and bone health.

352. UltraOmega-3 Extra Strength

- **Ailments:** Severe inflammation, high cardiovascular risk, significant cognitive concerns, chronic joint pain
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Extra strength formula delivering higher doses of EPA and DHA to support cognitive function, cardiovascular health, and inflammation reduction.

353. Vitamin D3 2000 IU

- **Ailments:** Mild vitamin D deficiency, bone weakness, immune concerns, fatigue, muscle aches
- **Deficiency:** Vitamin D
- **Wellness Value:** Supports bone, immune, and cardiovascular health by maintaining optimal Vitamin D levels.

354. Vitamin D3 5000 IU

- **Ailments:** Moderate to severe vitamin D deficiency, bone loss, frequent illness, depression, muscle weakness
- **Deficiency:** Vitamin D
- **Wellness Value:** High-potency Vitamin D3 to support immune function, bone health, and overall vitality.

355. Vitamin D3 with K2

- **Ailments:** Vitamin D deficiency with calcium concerns, bone loss, arterial calcification risk, osteoporosis
- **Deficiency:** Vitamin D3 and K2
- **Wellness Value:** Combines Vitamin D3 and K2 to promote healthy bone metabolism, calcium utilization, and cardiovascular health.

356. Vitamin E 400 IU

- **Ailments:** Oxidative stress, skin aging, cardiovascular concerns, muscle weakness, immune weakness
- **Deficiency:** Vitamin E
- **Wellness Value:** Provides antioxidant protection, supports skin health, and promotes immune function.

357. Vitamin E with Mixed Tocopherols

- **Ailments:** Comprehensive vitamin E deficiency, oxidative damage, cardiovascular risk, skin problems
- **Deficiency:** Vitamin E complex
- **Wellness Value:** Comprehensive Vitamin E formula with mixed tocopherols to enhance antioxidant protection and support cardiovascular health.

358. Vitamin K1

- **Ailments:** Poor blood clotting, easy bruising, excessive bleeding, weak bones, poor calcium absorption
- **Deficiency:** Vitamin K1
- **Wellness Value:** Supports healthy blood clotting and bone health by promoting calcium absorption.

359. Vitamin K2 with D3

- **Ailments:** Bone loss, arterial calcification, poor calcium metabolism, osteoporosis, cardiovascular concerns
- **Deficiency:** Vitamin K2 and D3
- **Wellness Value:** Promotes bone and cardiovascular health by supporting calcium utilization and deposition in bones.

360. Whey Protein Isolate

- **Ailments:** Muscle loss, slow recovery, low protein intake, weakness, poor body composition
- **Deficiency:** Protein
- **Wellness Value:** High-quality whey protein isolate to support muscle growth, recovery, and overall health.

361. Whey Protein Concentrate

- **Ailments:** Protein deficiency, muscle weakness, poor recovery, low energy, weakened immunity
- **Deficiency:** Protein
- **Wellness Value:** Provides essential amino acids for muscle repair, immune function, and energy production.

362. Zinc 50 mg

- **Ailments:** Immune weakness, skin problems, slow healing, hair loss, frequent infections
- **Deficiency:** Zinc
- **Wellness Value:** Supports immune function, skin health, and wound healing by providing a bioavailable form of zinc.

363. Zinc 100 mg

- **Ailments:** Severe zinc deficiency, significant immune weakness, reproductive issues, major wound healing needs
- **Deficiency:** Zinc

- **Wellness Value:** High-dose zinc supplement to support immune function, reproductive health, and enzyme activity.

364. Zinc Chewables

- **Ailments:** Difficulty swallowing pills, immune concerns, cold symptoms, skin issues, weakened immunity
- **Deficiency:** Zinc
- **Wellness Value:** Convenient chewable form of zinc for promoting immune function and overall health.

365. Zinc Gummies

- **Ailments:** Immune weakness, taste preference for gummies, skin problems, frequent colds
- **Deficiency:** Zinc
- **Wellness Value:** Delicious gummy form of zinc to support immune health and overall wellness.

366. Children's Chewable Multivitamin

- **Ailments:** Nutritional gaps in children, picky eating, low energy in kids, growth concerns, weakened immunity
- **Deficiency:** General vitamins and minerals (for children)
- **Wellness Value:** Comprehensive multivitamin formula designed to support the growth, development, and immune health of children.

367. Children's Liquid Multivitamin

- **Ailments:** Difficulty with pills in children, nutritional deficiencies, weakened child immunity, developmental needs
- **Deficiency:** General vitamins and minerals (for children)
- **Wellness Value:** Liquid multivitamin formula to provide essential nutrients for children's growth, immune function, and development.

368. COQ10 Ubiquinone 200 mg

- **Ailments:** Fatigue, heart issues, gum disease, muscle weakness, statin use, low cellular energy
- **Deficiency:** CoQ10 (ubiquinone)
- **Wellness Value:** Supports energy production, cardiovascular health, and antioxidant defenses with a high-potency dose of CoQ10.

369. COQ10 Ubiquinol 100 mg

- **Ailments:** Chronic fatigue, cardiovascular concerns, aging, weakened immunity, muscle pain
- **Deficiency:** CoQ10 (ubiquinol)
- **Wellness Value:** Bioavailable form of CoQ10 to promote heart health, cellular energy, and immune function.

370. COQ10 Ubiquinol 300 mg

- **Ailments:** Severe fatigue, significant heart health concerns, advanced aging, major energy deficiency
- **Deficiency:** CoQ10 (ubiquinol)
- **Wellness Value:** High-dose, bioavailable CoQ10 for enhanced cardiovascular health, energy production, and antioxidant support.

371. Fish Oil 2000 mg

- **Ailments:** Inflammation, cardiovascular risk, cognitive decline, joint stiffness, dry skin, mood issues

- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** High-potency fish oil providing essential EPA and DHA to support heart, brain, and joint health.

372. Fish Oil Gummies

- **Ailments:** Omega-3 deficiency, preference for gummy form, cardiovascular concerns, cognitive support needs
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Convenient and tasty gummy form of fish oil to support cardiovascular health and cognitive function.

373. Multivitamin Gummies

- **Ailments:** Nutritional gaps, difficulty with pills, low energy, weakened immunity, general health maintenance
- **Deficiency:** General vitamins and minerals
- **Wellness Value:** Gummy multivitamin providing essential nutrients for overall health, energy, and immune support.

374. Vegan Omega-3

- **Ailments:** Omega-3 deficiency on plant-based diet, inflammation, cardiovascular concerns, cognitive issues
- **Deficiency:** Omega-3 fatty acids (vegan source)
- **Wellness Value:** Plant-based omega-3 supplement to support heart, brain, and joint health for vegans and vegetarians.

375. Vegan Vitamin D3

- **Ailments:** Vitamin D deficiency on vegan diet, bone weakness, immune issues, fatigue, depression
- **Deficiency:** Vitamin D (vegan source)
- **Wellness Value:** Plant-based Vitamin D3 to support immune function, bone health, and overall wellness for vegans and vegetarians.

376. Vegan Multivitamin

- **Ailments:** Nutritional gaps on plant-based diet, low B12, iron deficiency, fatigue, weakened immunity
- **Deficiency:** General vitamins and minerals (vegan source)
- **Wellness Value:** Comprehensive multivitamin formula designed to support the nutritional needs of vegans and vegetarians.

377. Vegan Protein Powder

- **Ailments:** Protein deficiency on plant-based diet, muscle loss, slow recovery, weakness, poor body composition
- **Deficiency:** Protein (vegan source)
- **Wellness Value:** Plant-based protein powder to support muscle health, recovery, and overall nutrition for vegans and vegetarians.

378. Vegan B12

- **Ailments:** B12 deficiency on vegan diet, fatigue, nerve problems, weakness, anemia, cognitive issues
- **Deficiency:** Vitamin B12 (vegan source)

- **Wellness Value:** Plant-based B12 to support energy production, nerve function, and red blood cell formation for vegans and vegetarians.

379. Vegan Omega-3 Gummies

- **Ailments:** Plant-based omega-3 needs, preference for gummies, cardiovascular concerns, cognitive support
- **Deficiency:** Omega-3 fatty acids (vegan source)
- **Wellness Value:** Delicious gummy form of plant-based omega-3s to support cardiovascular and cognitive health for vegans.

380. Prenatal Multivitamin

- **Ailments:** Pregnancy nutritional needs, fetal development support, morning sickness, fatigue, anemia risk
- **Deficiency:** Essential vitamins and minerals for pregnancy
- **Wellness Value:** Comprehensive prenatal multivitamin to support the health of both mother and baby during pregnancy.

381. Prenatal DHA

- **Ailments:** Fetal brain development needs, pregnancy omega-3 deficiency, eye development support needs
- **Deficiency:** Omega-3 DHA (for pregnancy)
- **Wellness Value:** Provides essential DHA to support the brain and eye development of the fetus during pregnancy.

382. Prenatal Gummies

- **Ailments:** Pregnancy with nausea, difficulty with prenatal pills, nutritional needs during pregnancy
- **Deficiency:** Essential vitamins and minerals for pregnancy
- **Wellness Value:** Tasty gummy form of prenatal vitamins to provide essential nutrients for a healthy pregnancy.

383. Prenatal Omega-3

- **Ailments:** Omega-3 deficiency during pregnancy, fetal brain development needs, inflammation during pregnancy
- **Deficiency:** Omega-3 fatty acids (for pregnancy)
- **Wellness Value:** Supports fetal brain and eye development by providing essential Omega-3s, including DHA and EPA, during pregnancy.

384. Probiotic Gummies

- **Ailments:** Digestive issues with pill preference for gummies, gut flora imbalance, weakened immunity
- **Deficiency:** Gut microbiome health
- **Wellness Value:** Tasty gummy probiotics to promote a balanced gut microbiome, aiding digestion and immune health.

385. Probiotic Capsules

- **Ailments:** Gut flora imbalance, digestive issues, weakened immunity, bloating, irregular bowels
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Promotes digestive health and immunity by supporting healthy gut flora balance.

386. Probiotic Chewables

- **Ailments:** Digestive issues, preference for chewable form, gut flora imbalance, immune weakness
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Easy-to-take chewable probiotics to support gut health and immune function.

387. Probiotic Liquid

- **Ailments:** Difficulty swallowing capsules, gut imbalance, digestive issues, children's probiotic needs
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Liquid probiotic formula designed to support digestive health and maintain a healthy immune system.

388. Prebiotic Fiber

- **Ailments:** Constipation, poor gut bacteria feeding, weak microbiome, digestive sluggishness
- **Deficiency:** Prebiotic fiber (gut health)
- **Wellness Value:** Supports gut health by nourishing beneficial gut bacteria, promoting digestion and a balanced microbiome.

389. Prebiotic Powder

- **Ailments:** Gut flora starvation, constipation, weak microbiome, digestive issues, bloating
- **Deficiency:** Prebiotic fiber (gut health)
- **Wellness Value:** Powdered prebiotic formula to support healthy digestion and feed beneficial gut bacteria.

390. Digestive Enzyme Gummies

- **Ailments:** Indigestion, bloating, preference for gummy form, food sensitivities, gas
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Convenient and tasty gummies that enhance digestion by providing essential enzymes to break down food.

391. Digestive Enzyme Capsules

- **Ailments:** Poor digestion, bloating, gas, nutrient malabsorption, food sensitivities
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Supports efficient digestion by breaking down carbohydrates, fats, and proteins, improving nutrient absorption.

392. Digestive Enzyme Chewables

- **Ailments:** Indigestion, preference for chewable form, bloating, difficulty digesting meals, gas
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Chewable enzyme formula to promote digestive health and comfort by aiding the breakdown of food.

393. Digestive Enzyme Liquid

- **Ailments:** Difficulty swallowing pills, digestive issues, bloating, children's enzyme needs, malabsorption
- **Deficiency:** Digestive enzymes
- **Wellness Value:** Liquid form of digestive enzymes to support healthy digestion and nutrient absorption.

394. Collagen Powder

- **Ailments:** Wrinkles, sagging skin, joint pain, brittle nails, thinning hair, slow wound healing
- **Deficiency:** Collagen
- **Wellness Value:** Supports skin elasticity, joint health, and overall connective tissue function by providing bioavailable collagen peptides.

395. Collagen Gummies

- **Ailments:** Skin aging, joint stiffness, preference for gummy form, brittle nails, dull hair
- **Deficiency:** Collagen
- **Wellness Value:** Tasty gummy form of collagen to support healthy skin, joints, and connective tissues.

396. Collagen Capsules

- **Ailments:** Skin wrinkles, joint pain, hair thinning, nail brittleness, connective tissue weakness
- **Deficiency:** Collagen
- **Wellness Value:** Convenient capsule form of collagen peptides to promote skin health, joint mobility, and muscle recovery.

397. Collagen Liquid

- **Ailments:** Skin aging, joint discomfort, difficulty with pills, hair loss, nail problems
- **Deficiency:** Collagen
- **Wellness Value:** Liquid collagen for easy absorption, supporting healthy skin, joints, and overall connective tissue health.

398. Hair, Skin & Nails Gummies

- **Ailments:** Thinning hair, brittle nails, dull skin, preference for gummy form, slow nail growth
- **Deficiency:** Biotin and collagen
- **Wellness Value:** Promotes healthy hair, skin, and nails by providing essential nutrients like biotin, collagen, and vitamins.

399. Hair, Skin & Nails Capsules

- **Ailments:** Hair loss, weak nails, skin problems, premature aging, dull complexion
- **Deficiency:** Biotin and collagen
- **Wellness Value:** Capsule form designed to support the growth and strength of hair, skin, and nails with biotin and collagen.

400. Hair, Skin & Nails Liquid

- **Ailments:** Difficulty swallowing pills, hair thinning, nail brittleness, skin aging, dull complexion
- **Deficiency:** Biotin and collagen
- **Wellness Value:** Liquid formula to boost the health and appearance of hair, skin, and nails with essential nutrients like biotin and collagen.

401. Multivitamin Powder

- **Ailments:** Difficulty swallowing pills, nutritional gaps, low energy, weakened immunity, fatigue
- **Deficiency:** General vitamins and minerals
- **Wellness Value:** Powdered multivitamin formula that provides essential nutrients for overall health, energy, and immune support.

402. Multivitamin Capsules

- **Ailments:** General nutritional deficiencies, low energy, weakened immunity, fatigue, poor overall health
- **Deficiency:** General vitamins and minerals
- **Wellness Value:** Convenient capsule form of a comprehensive multivitamin to support overall health and well-being.

403. Multivitamin Liquid

- **Ailments:** Difficulty with pills, nutritional gaps, low energy, weakened immunity, children's vitamin needs
- **Deficiency:** General vitamins and minerals
- **Wellness Value:** Liquid multivitamin formula to provide essential nutrients in a highly absorbable form for overall health.

404. Calcium Gummies

- **Ailments:** Bone weakness, preference for gummy form, tooth decay, muscle cramps, osteoporosis risk
- **Deficiency:** Calcium
- **Wellness Value:** Tasty gummies to support healthy bones and teeth by providing calcium in a convenient form.

405. Calcium Capsules

- **Ailments:** Bone loss, weak teeth, muscle cramps, osteoporosis, poor calcium intake
- **Deficiency:** Calcium
- **Wellness Value:** Supports bone density and dental health by providing bioavailable calcium in capsule form.

406. Calcium Liquid

- **Ailments:** Difficulty swallowing pills, bone weakness, children's calcium needs, muscle cramps
- **Deficiency:** Calcium
- **Wellness Value:** Liquid calcium formula for easy absorption, promoting healthy bone and teeth development.

407. Magnesium Gummies

- **Ailments:** Muscle cramps, preference for gummy form, anxiety, sleep issues, restless legs
- **Deficiency:** Magnesium
- **Wellness Value:** Helps promote muscle relaxation, heart health, and overall well-being with magnesium in a gummy form.

408. Magnesium Capsules

- **Ailments:** Muscle cramps, anxiety, insomnia, headaches, heart palpitations, constipation
- **Deficiency:** Magnesium
- **Wellness Value:** Supports muscle function, cardiovascular health, and relaxation with bioavailable magnesium in capsule form.

409. Magnesium Liquid

- **Ailments:** Difficulty swallowing pills, muscle cramps, anxiety, sleep issues, children's magnesium needs
- **Deficiency:** Magnesium

- **Wellness Value:** Liquid magnesium for enhanced absorption, promoting muscle relaxation, heart health, and overall wellness.

410. Iron Gummies

- **Ailments:** Anemia, preference for gummy form, fatigue, weakness, pale skin
- **Deficiency:** Iron
- **Wellness Value:** Tasty gummies designed to support healthy red blood cell production and energy levels by providing bioavailable iron.

411. Iron Capsules

- **Ailments:** Iron deficiency anemia, fatigue, weakness, shortness of breath, pale skin, brittle nails
- **Deficiency:** Iron
- **Wellness Value:** Supports healthy iron levels, red blood cell production, and energy with bioavailable iron in capsule form.

412. Iron Liquid

- **Ailments:** Difficulty swallowing iron pills, anemia, fatigue, children's iron needs, weakness
- **Deficiency:** Iron
- **Wellness Value:** Liquid iron for easy absorption, promoting healthy energy levels and supporting red blood cell production.

413. Vitamin C Gummies

- **Ailments:** Frequent colds, preference for gummy form, slow healing, easy bruising, skin concerns
- **Deficiency:** Vitamin C
- **Wellness Value:** Supports immune function, skin health, and antioxidant protection with Vitamin C in a chewable gummy form.

414. Vitamin C Capsules

- **Ailments:** Weakened immunity, slow wound healing, easy bruising, gum bleeding, skin aging
- **Deficiency:** Vitamin C
- **Wellness Value:** Provides antioxidant support and boosts immune function with bioavailable Vitamin C in capsule form.

415. Vitamin C Powder

- **Ailments:** Immune weakness, preference for powder form, collagen needs, frequent infections, slow healing
- **Deficiency:** Vitamin C
- **Wellness Value:** Powdered Vitamin C to support immune health, collagen production, and antioxidant defenses.

416. Vitamin C Liquid

- **Ailments:** Difficulty swallowing pills, immune concerns, children's vitamin C needs, skin health
- **Deficiency:** Vitamin C
- **Wellness Value:** Liquid form of Vitamin C for enhanced absorption, supporting immune function and skin health.

417. Omega-3 Gummies

- **Ailments:** Inflammation, preference for gummy form, cardiovascular concerns, cognitive support needs
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Tasty gummy form of omega-3s for supporting heart, brain, and joint health.

418. Omega-3 Capsules

- **Ailments:** Inflammation, cardiovascular concerns, cognitive decline, joint stiffness, dry skin
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Supports cardiovascular health, cognitive function, and joint flexibility with omega-3 in a convenient capsule form.

419. Omega-3 Liquid

- **Ailments:** Difficulty swallowing fish oil pills, inflammation, cardiovascular concerns, children's omega needs
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Liquid omega-3 for easy absorption, promoting heart, brain, and joint health.

420. Probiotic Powder

- **Ailments:** Difficulty swallowing pills, gut flora imbalance, digestive issues, children's probiotic needs
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Powdered probiotics to support healthy digestion, immune function, and gut flora balance.

421. Immune Gummies

- **Ailments:** Frequent colds, preference for gummy form, weakened immunity, seasonal illness susceptibility
- **Deficiency:** Immune system support
- **Wellness Value:** Tasty gummies to boost immune function with essential vitamins and minerals like Vitamin C and zinc.

422. Immune Capsules

- **Ailments:** Weakened immunity, frequent infections, slow recovery, seasonal illness, fatigue
- **Deficiency:** Immune system support
- **Wellness Value:** Supports immune health with a blend of vitamins, minerals, and antioxidants in capsule form.

423. Immune Powder

- **Ailments:** Immune weakness, preference for powder form, frequent illness, need for comprehensive immune support
- **Deficiency:** Immune system support
- **Wellness Value:** Powdered immune support formula to promote overall wellness and strengthen the body's defenses.

424. Immune Liquid

- **Ailments:** Difficulty swallowing pills, weakened immunity, children's immune needs, frequent colds
- **Deficiency:** Immune system support
- **Wellness Value:** Liquid immune support formula designed to boost the body's defenses and promote overall wellness.

425. Vitamin B Complex Gummies

- **Ailments:** Low energy, preference for gummy form, stress, poor metabolism, nerve issues
- **Deficiency:** B vitamins
- **Wellness Value:** Tasty gummies that provide a full spectrum of B vitamins to support energy production, metabolism, and nervous system health.

426. Vitamin B Complex Capsules

- **Ailments:** Fatigue, stress, poor concentration, mood issues, metabolism problems, nerve dysfunction
- **Deficiency:** B vitamins
- **Wellness Value:** Comprehensive B vitamin complex in capsule form to promote energy, nerve function, and overall vitality.

427. Vitamin B Complex Liquid

- **Ailments:** Difficulty swallowing pills, low energy, stress, children's B vitamin needs, nerve issues
- **Deficiency:** B vitamins
- **Wellness Value:** Liquid B vitamin formula for easy absorption, supporting energy production and nervous system health.

428. Vitamin B12 Gummies

- **Ailments:** Fatigue, preference for gummy form, nerve tingling, memory issues, weakness
- **Deficiency:** Vitamin B12
- **Wellness Value:** Chewable gummies that provide bioavailable B12 to support energy metabolism, red blood cell formation, and nerve health.

429. Vitamin B12 Capsules

- **Ailments:** B12 deficiency, fatigue, nerve problems, memory issues, anemia, weakness
- **Deficiency:** Vitamin B12
- **Wellness Value:** Capsule form of Vitamin B12 to promote optimal energy production and support neurological health.

430. Vitamin B12 Liquid

- **Ailments:** Difficulty absorbing B12, fatigue, nerve issues, preference for liquid form, cognitive decline
- **Deficiency:** Vitamin B12
- **Wellness Value:** Liquid B12 for enhanced absorption, supporting energy production and cognitive function.

431. Folate Gummies

- **Ailments:** Pregnancy needs, preference for gummy form, anemia, poor cell division, fatigue
- **Deficiency:** Folate
- **Wellness Value:** Chewable gummies that provide folate to support prenatal health, red blood cell production, and DNA synthesis.

432. Folate Capsules

- **Ailments:** Folate deficiency, pregnancy needs, anemia, elevated homocysteine, poor methylation
- **Deficiency:** Folate

- **Wellness Value:** Capsule form of folate to support cardiovascular health, prenatal development, and overall well-being.

433. Folate Liquid

- **Ailments:** Difficulty absorbing folate, pregnancy needs, anemia, preference for liquid form
- **Deficiency:** Folate
- **Wellness Value:** Liquid folate for easy absorption, promoting red blood cell formation and supporting prenatal health.

434. Vitamin D Gummies

- **Ailments:** Vitamin D deficiency, preference for gummy form, bone weakness, immune issues, fatigue
- **Deficiency:** Vitamin D
- **Wellness Value:** Chewable gummies that provide Vitamin D to support immune function, bone health, and calcium absorption.

435. Vitamin D Capsules

- **Ailments:** Vitamin D deficiency, bone loss, frequent illness, depression, muscle weakness
- **Deficiency:** Vitamin D
- **Wellness Value:** Capsule form of Vitamin D to promote bone health, immune function, and overall vitality.

436. Vitamin D Liquid

- **Ailments:** Difficulty absorbing vitamin D, preference for liquid form, bone weakness, immune issues
- **Deficiency:** Vitamin D
- **Wellness Value:** Liquid Vitamin D for enhanced absorption, supporting bone health, immunity, and calcium metabolism.

437. Vitamin E Gummies

- **Ailments:** Oxidative stress, preference for gummy form, skin aging, cardiovascular concerns
- **Deficiency:** Vitamin E
- **Wellness Value:** Chewable gummies that provide antioxidant support, promoting cardiovascular health and skin health.

438. Vitamin E Capsules

- **Ailments:** Oxidative damage, skin problems, cardiovascular concerns, immune weakness, nerve issues
- **Deficiency:** Vitamin E
- **Wellness Value:** Supports antioxidant defenses, skin health, and immunity with Vitamin E in capsule form.

439. Vitamin E Liquid

- **Ailments:** Difficulty swallowing pills, oxidative stress, skin concerns, cardiovascular support needs
- **Deficiency:** Vitamin E
- **Wellness Value:** Liquid Vitamin E for easy absorption, providing antioxidant protection and supporting skin health and immune function.

440. Vitamin K Gummies

- **Ailments:** Poor blood clotting, preference for gummy form, bone weakness, easy bruising

- **Deficiency:** Vitamin K
- **Wellness Value:** Chewable gummies that provide Vitamin K to support bone health, blood clotting, and cardiovascular function.

441. Vitamin K Capsules

- **Ailments:** Blood clotting issues, bone weakness, arterial calcification concerns, easy bruising
- **Deficiency:** Vitamin K
- **Wellness Value:** Capsule form of Vitamin K to support bone strength, blood clotting, and calcium metabolism.

442. Vitamin K Liquid

- **Ailments:** Difficulty swallowing pills, blood clotting concerns, bone health needs, children's vitamin K needs
- **Deficiency:** Vitamin K
- **Wellness Value:** Liquid Vitamin K for easy absorption, promoting healthy bones and cardiovascular health.

443. Probiotic Gummies for Kids

- **Ailments:** Children's digestive issues, frequent child illness, antibiotic use in kids, weakened child immunity
- **Deficiency:** Gut microbiome balance (for children)
- **Wellness Value:** Tasty gummies that promote healthy digestion and immune function for children by supporting a balanced gut microbiome.

444. Calcium Gummies for Kids

- **Ailments:** Growing bone needs in children, picky eating, tooth development, muscle cramps in kids
- **Deficiency:** Calcium (for children)
- **Wellness Value:** Tasty gummies that support the development of strong bones and teeth in children by providing bioavailable calcium.

445. Multivitamin Gummies for Kids

- **Ailments:** Nutritional gaps in children, picky eating, low energy in kids, developmental needs, weakened immunity
- **Deficiency:** General vitamins and minerals (for children)
- **Wellness Value:** Comprehensive multivitamin in gummy form to support the growth, development, and immune health of children.

446. Omega-3 Gummies for Kids

- **Ailments:** Poor focus in children, developmental concerns, behavioral issues, learning difficulties
- **Deficiency:** Omega-3 fatty acids (for children)
- **Wellness Value:** Tasty omega-3 gummies to support brain development, cognitive function, and overall health in children.

447. Vitamin C Gummies for Kids

- **Ailments:** Frequent colds in children, slow healing in kids, weakened child immunity
- **Deficiency:** Vitamin C (for children)

- **Wellness Value:** Tasty gummies that provide Vitamin C to support immune health, skin health, and overall wellness for children.

448. Immune Gummies for Kids

- **Ailments:** Frequent childhood illness, seasonal illness in kids, weakened child immunity, school germs
- **Deficiency:** Immune system support (for children)
- **Wellness Value:** Tasty gummies to help boost children's immune function and overall wellness, with essential vitamins and minerals.

449. Elderberry Gummies

- **Ailments:** Frequent colds, flu susceptibility, weakened immunity, seasonal illness, low antioxidants
- **Deficiency:** Antioxidants and immune support
- **Wellness Value:** Tasty elderberry gummies packed with antioxidants to support immune function and fight off seasonal illnesses.

450. Ashwagandha Gummies

- **Ailments:** Chronic stress, anxiety, adrenal fatigue, difficulty relaxing, sleep issues
- **Deficiency:** Stress management and adrenal support
- **Wellness Value:** Tasty gummies that promote relaxation, stress relief, and adrenal health with ashwagandha.

451. Turmeric Gummies

- **Ailments:** Joint pain, inflammation, digestive issues, oxidative stress, immune concerns
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Tasty gummies that provide turmeric to support inflammation reduction, joint health, and antioxidant defenses.

452. Curcumin Gummies

- **Ailments:** Chronic inflammation, joint discomfort, oxidative damage, cognitive concerns, digestive issues
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Tasty gummies that provide curcumin for powerful anti-inflammatory and antioxidant benefits, supporting joint and overall health.

453. Turmeric Capsules

- **Ailments:** Joint inflammation, chronic pain, digestive issues, oxidative stress, immune weakness
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Supports inflammation reduction and joint health with curcumin in capsule form.

454. Curcumin Capsules

- **Ailments:** Severe inflammation, joint pain, cardiovascular concerns, cognitive decline, chronic conditions
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Provides potent anti-inflammatory and antioxidant benefits, promoting joint, brain, and cardiovascular health.

455. Elderberry Capsules

- **Ailments:** Frequent illness, cold/flu susceptibility, weakened immunity, low antioxidant intake
- **Deficiency:** Antioxidants and immune support
- **Wellness Value:** Capsule form of elderberry to support immune health and provide antioxidant protection.

456. Ashwagandha Capsules

- **Ailments:** Chronic stress, anxiety, adrenal burnout, difficulty sleeping, low energy, mood issues
- **Deficiency:** Stress management and adrenal support
- **Wellness Value:** Supports relaxation, stress relief, and adrenal health with ashwagandha in capsule form.

457. Turmeric Liquid

- **Ailments:** Difficulty swallowing pills, joint inflammation, digestive issues, oxidative stress
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Liquid turmeric for easy absorption, promoting joint health, inflammation reduction, and overall wellness.

458. Curcumin Liquid

- **Ailments:** Poor curcumin absorption, chronic inflammation, joint pain, cardiovascular concerns
- **Deficiency:** Anti-inflammatory support
- **Wellness Value:** Liquid curcumin for enhanced absorption, providing anti-inflammatory and antioxidant benefits.

459. Elderberry Liquid

- **Ailments:** Cold/flu symptoms, difficulty swallowing pills, weakened immunity, children's immune needs
- **Deficiency:** Antioxidants and immune support
- **Wellness Value:** Liquid elderberry to boost immune function and protect against seasonal illnesses with antioxidant properties.

460. Ashwagandha Liquid

- **Ailments:** Difficulty with pills, chronic stress, anxiety, adrenal fatigue, sleep difficulties
- **Deficiency:** Stress management and adrenal support
- **Wellness Value:** Liquid ashwagandha for easy absorption, supporting stress relief and adrenal health.

461. Vitamin A Capsules

- **Ailments:** Night blindness, dry eyes, dry skin, weakened immunity, poor wound healing
- **Deficiency:** Vitamin A
- **Wellness Value:** Supports vision health, immune function, and skin health with bioavailable Vitamin A in capsule form.

462. Vitamin A Liquid

- **Ailments:** Difficulty swallowing pills, vision concerns, skin dryness, immune weakness, children's vitamin A needs
- **Deficiency:** Vitamin A
- **Wellness Value:** Liquid Vitamin A for enhanced absorption, promoting healthy vision, immune function, and skin.

463. Biotin Gummies

- **Ailments:** Hair thinning, preference for gummy form, brittle nails, skin issues, slow hair growth
- **Deficiency:** Biotin
- **Wellness Value:** Tasty gummies that provide biotin to support healthy hair, skin, and nails.

464. Biotin Capsules

- **Ailments:** Hair loss, brittle nails, skin problems, metabolic concerns, poor hair growth
- **Deficiency:** Biotin
- **Wellness Value:** Supports the health of hair, skin, and nails with bioavailable biotin in capsule form.

465. Biotin Liquid

- **Ailments:** Difficulty swallowing pills, hair thinning, nail brittleness, skin issues
- **Deficiency:** Biotin
- **Wellness Value:** Liquid biotin for easy absorption, promoting healthy hair, skin, and nails.

466. Vitamin K2 Capsules

- **Ailments:** Arterial calcification, bone loss, poor calcium utilization, cardiovascular concerns
- **Deficiency:** Vitamin K2
- **Wellness Value:** Supports bone health and cardiovascular function by promoting proper calcium utilization with Vitamin K2 in capsule form.

467. Vitamin K2 Liquid

- **Ailments:** Difficulty with pills, bone health concerns, calcium metabolism issues, cardiovascular support needs
- **Deficiency:** Vitamin K2
- **Wellness Value:** Liquid form of Vitamin K2 for enhanced absorption, promoting healthy bones and cardiovascular function.

468. Probiotic Gummies for Adults

- **Ailments:** Adult digestive issues, preference for gummy form, gut flora imbalance, weakened immunity
- **Deficiency:** Gut microbiome balance
- **Wellness Value:** Tasty gummies for adults that support healthy digestion and immune health by promoting a balanced gut microbiome.

469. Collagen Gummies for Adults

- **Ailments:** Adult skin aging, joint stiffness, preference for gummy form, hair and nail concerns
- **Deficiency:** Collagen
- **Wellness Value:** Tasty gummies that provide collagen to support healthy skin, joints, and overall connective tissue function in adults.

470. Omega-3 Gummies for Adults

- **Ailments:** Adult cardiovascular concerns, preference for gummy form, cognitive support needs, joint issues
- **Deficiency:** Omega-3 fatty acids
- **Wellness Value:** Tasty omega-3 gummies for adults to support cardiovascular health, cognitive function, and joint mobility.

471. Multivitamin Gummies for Adults

- **Ailments:** Adult nutritional gaps, preference for gummy form, low energy, weakened immunity
- **Deficiency:** General vitamins and minerals
- **Wellness Value:** Tasty multivitamin gummies for adults, providing essential nutrients to support overall health, energy, and immune function.

472. Vitamin C Gummies for Adults

- **Ailments:** Adult immune concerns, preference for gummy form, skin health, oxidative stress
- **Deficiency:** Vitamin C
- **Wellness Value:** Chewable gummies that provide Vitamin C to support immune health, antioxidant protection, and skin health.

473. Vitamin D Gummies for Adults

- **Ailments:** Adult vitamin D deficiency, preference for gummy form, bone concerns, immune support needs
- **Deficiency:** Vitamin D
- **Wellness Value:** Tasty gummies that supply Vitamin D, promoting bone health, immune function, and calcium absorption.

474. Vitamin B12 Gummies for Adults

- **Ailments:** Adult B12 deficiency, preference for gummy form, fatigue, nerve issues, cognitive concerns
- **Deficiency:** Vitamin B12
- **Wellness Value:** Chewable B12 gummies for adults to support energy metabolism, cognitive function, and red blood cell production.

475. Vitamin B Complex Gummies for Adults

- **Ailments:** Adult energy concerns, preference for gummy form, stress, metabolism issues, nerve health
- **Deficiency:** B vitamins
- **Wellness Value:** Tasty gummies providing a full spectrum of B vitamins to support energy production, metabolism, and nervous system health.

476. Elderberry Gummies for Kids

- **Ailments:** Frequent colds in children, flu susceptibility in kids, weakened child immunity, seasonal illness
- **Deficiency:** Antioxidants and immune support (for children)
- **Wellness Value:** Tasty elderberry gummies for children, packed with antioxidants to support immune function and protect against seasonal illnesses.

477. Vitamin D Gummies for Kids

- **Ailments:** Vitamin D deficiency in children, weak bones in kids, immune concerns, growth needs
- **Deficiency:** Vitamin D (for children)
- **Wellness Value:** Tasty Vitamin D gummies to support children's bone health, immune function, and overall wellness.

478. Immune Boost Capsules

- **Ailments:** Weakened immunity, frequent illness, need for comprehensive immune support, seasonal concerns

- **Deficiency:** Immune system support
- **Wellness Value:** Capsules designed to boost immune function, containing essential immune-boosting nutrients like Vitamin C, zinc, and elderberry.

479. Immune Boost Liquid

- **Ailments:** Difficulty swallowing pills, weakened immunity, children's immune needs, seasonal illness
- **Deficiency:** Immune system support
- **Wellness Value:** Liquid immune support formula to strengthen the body's defenses and promote overall wellness with essential vitamins and antioxidants.

480. Immune Support Gummies for Adults

- **Ailments:** Adult immune concerns, preference for gummy form, seasonal illness susceptibility, weakened defenses
- **Deficiency:** Immune system support
- **Wellness Value:** Tasty gummies with immune-boosting ingredients like Vitamin C, zinc, and elderberry to support adult immune function.

481. Stress Relief Gummies for Adults

- **Ailments:** Chronic stress, anxiety, preference for gummy form, difficulty relaxing, sleep issues
- **Deficiency:** Stress management and adrenal support
- **Wellness Value:** Tasty gummies that promote relaxation and stress relief with key adaptogens like ashwagandha and L-theanine.

482. Sleep Support Gummies for Adults

- **Ailments:** Insomnia, difficulty falling asleep, preference for gummy form, restless sleep, nighttime waking
- **Deficiency:** Sleep support
- **Wellness Value:** Gummies designed to improve sleep quality by providing ingredients like melatonin and chamomile, promoting restful sleep.

483. Sleep Support Capsules

- **Ailments:** Insomnia, difficulty staying asleep, poor sleep quality, racing thoughts at bedtime
- **Deficiency:** Sleep support
- **Wellness Value:** Capsules containing sleep-enhancing ingredients like melatonin and valerian root to promote a deeper, more restful sleep.

484. Sleep Support Liquid

- **Ailments:** Difficulty swallowing pills, insomnia, children's sleep needs, restlessness at bedtime
- **Deficiency:** Sleep support
- **Wellness Value:** Liquid sleep aid formulated with natural ingredients like melatonin and chamomile to promote relaxation and improve sleep quality.

485. Energy Boost Gummies

- **Ailments:** Low energy, fatigue, preference for gummy form, need for sustained energy, poor focus
- **Deficiency:** Energy and vitality
- **Wellness Value:** Tasty energy-boosting gummies made with B vitamins, caffeine, and adaptogens to promote sustained energy and focus.

486. Energy Boost Capsules

- **Ailments:** Chronic fatigue, low energy, poor concentration, need for sustained energy, mental fog
- **Deficiency:** Energy and vitality
- **Wellness Value:** Capsule form designed to boost energy levels and improve focus with B vitamins, adaptogens, and natural stimulants.

487. Energy Boost Liquid

- **Ailments:** Difficulty swallowing pills, fatigue, need for quick energy, low stamina, mental fatigue
- **Deficiency:** Energy and vitality
- **Wellness Value:** Liquid energy supplement providing a quick boost in energy and focus, containing B vitamins, caffeine, and adaptogens.

488. Weight Management Gummies

- **Ailments:** Slow metabolism, preference for gummy form, difficulty losing weight, appetite control needs
- **Deficiency:** Metabolism and fat management
